## 1 - the beginning

Receiving a text that filled my heart with hope.  
As I read what it said a single tear fell from my eye.  
I did what you told me to, but it still hurt.  
I wanted to do it so I did.  
In my heart I know I shouldn't have done it.  
I lied to him.  
I betrayed him.  
This...is the beginning...

## 2 - a few days later

He told me he loved me.

Then it was over.

I told him I was sorry.

He yelled and screamed and made me cry.

I practically killed him.

Minutes later it was like nothing happened.

I was so confused.

I didn't know what to do.

This has happened so many times before, but I still don't know...

### **3 - so confused**

Many things happened over the past month.

I'm still confused.

I don't know what happens now.

First it was a secret, but we told.

Then it was over, but it wasn't.

Now its just hatred for each other.

I just don't know what will happen next...

## 4 - i finally know why

I know why he ended it.

He still loves her.

After I first talked to him and known him longer, he still loves her...

After she hurt him so badly, he still wants her.

I would do anything for him and he knows that.

He knew that I love him yet he still crushed me.

I wish this would all end...

## 5 - as of now

I still don't know if we are friends.

I think he doesn't hate me anymore.

He still loves her.

She doesn't love him.

She only likes him as a friend.

Maybe I should move on, but I'm just not ready...

## 6 - no pain

My body is numb.  
I can't feel anything.  
I can't feel the needles going into my arms.  
The blood still flows but I can't feel the pain.  
I still can't feel pain.  
Only heartache.  
My head is throbbing.  
My arms are bleeding but still no pain.  
This is what you've done to me...

## 7 - again?

Months have gone by.  
Out of nowhere you love me again?  
Then you date someone else?  
Again with the lies.  
After its over you go back to her?  
You're so confusing.  
You like her.  
She likes you.  
I'm scared this will all just happen again...

## 8 - Time passes

Everything is so different now..

I still love you.

Not as much as I once had..

You lied to her that night and I laughed.

You make fun and she doesn't even know it.

We laugh and smile together just like the old days.

She said everything you told me was a lie.

You said she was wrong.

I'm still so confused.
