Chapter 1 - understand

2

1 - understand

Sitting in the dark.
Crying over you is all I do.
Only my family seems to care.
Its like you don't even know I'm there.
You said you wouldn't hurt me but you did.
Please don't treat me like a kid.
You could've told me you love my friend,
Instead you drove me to my end.

On the Brink of insanity.
Why did you do this to me?
She doesn't love you anymore.
You said it yourself, she's only a whore.

Hurting you by taking him.
The light of trust is growing dim.
Taking pills just to feel well.
Yeah, i guess i'm still in hell.

Now's my time to say goodbye.
I will leave and slowly die.
