Chapter 1 - what Christmas is about

1 - what Christmas is about

Christmas songs are heard all along the streets.

~the sound of ringing bells signals to help the needy.~

santas will sit in malls and big stores, to listen to what the young children want for Christmas.

mothers will bake cookies of all kinds, and a few will even make fruit cakes.

children will help decorate the tree, drink eggnog, and wait impatiently for Christmas morning.

on Christmas Eve my mom and i will be preparing for a very Special Some One's birthday.

we will bake a cake and write on it with tasty icing "Happy Birthday Jesus!",

to us Christmas isn't about the music, the presents, the money, Santa, cookies, fruit cake, eggnog, and things of that sort,

to us Christmas is about helping the needy, decorating, and Jesus's birthday.

because Christmas just wouldn't be Christmas without Jesus!

so we thank God by decorating for Jesus's birthday and by helping the needy to show that there is still good in the world.

i know what Christmas is about .

do you?
