Chapter 1 - Untitled

1 - Untitled

She wears her hair down;
Walks out the corridor.
An object of beauty.
And I wave.
But she walks into his arms.
As they hold each other and dance

In a flirting motion
It causes commotion in my heart

And it twists and begins to ache

So I look down and laugh

Makes my heart break.

Well; as we talk.

And I walk and I run and I dance

In this ultimate joy

As we laugh

And we play and we run and we sigh

Together we admit it's wrong

And we know we're close friends.

How can I like this?

Is it just wrong or am I just confused?

Well; as we part ways

And I walk and I walk so slow that it hurts me bad

Cause you don't look back

And we don't look back

And we just part our ways.

What if this

Was never again and we never ever were friends

Would you like me still

In that admiration stance from afar.

Well, we just don't know

But we do inside our mental state of mind

As you drink your drink

You get drunk

Let's get drunk

Let's get drunk on life.

Well; as you smile

I like it even more and more each time

But this is the end,

The very end.

Let's not pretend.

The end.
