This is a messed up poem...thingy. Yeah..its sorta like my feelings. It reminds me of people drowning, well that was the inspiration.

Chapter 1 - ...

2

Have you ever felt

Like you were drowning in you own tears?

Have you ever felt that your sorrows

Were weighing you down, deeper and deeper?

Do you ever wonder

Why you feel so helpless?

Why all you want to do

Is hide your tears

And not let anyone see them?

I hide my tears

I don't want you to feel my pain

I want you to be free

I want you to know that there is a world out there

Where people will love you, just for being you

I want you to know

That wherever you are

Whatever you are doing

I will watch over you

I will love you

And

I

Will

Care.

Caring is what makes this world work If you stop caring

Then life stops

Never stop caring

Never stop loving

Never stop being

Who you want to be

I love you just the way you are.
