1 - one n' only

you can't get over me[br]
and i don't think u ever will[br]
i just do get why u can't see[br]
that it was doomed to go downhill[br]
[br]
i know that uve been thinking[br]
that it was all my fault[br]
and now that it's all shrinking[br]
i knew it had to halt[br]
[br]
i don't expect you do understand[br]
i guess u never could[br]
u just always tried to command[br]
and always misunderstood[br]
[br]
and now that i sit here[br]
and think about it all[br]
i know that it was severe[br]
[br]
it really is ur fault[br]
u tried and tried to push[br]
u just couldn't understand[br]
that it couldn't expand[br]
[br]
everything came to a crashing end[br]
because u couldn't take it[br]
cause u had to love[br]
[br]
u got caught up in ur fantasy[br]
and couldn't tell truth from fake[br]
[br]
so now ur all alone[br]
and i'm not longer on my own[br]
[br]
ur still chasing make believes[br]
cause ur still so naive[br]
[br]
and i'm chasing truth[br]
enjoying the rest of my youth[br]

[br]

ur probably waiting for me to cave[br]

but i'd rather dig my own grave[br]
