How they met.

This story is how cassy and aleena and sunflower met, okay? Just for those who wonder.

All non related stuff is in italics.

Aleena via cassy.

Aleena was walking along a path in the forest, when she was knocked over by a yellow blur, not willing to investigate, she just sat there, in the middle of the path, in the distance she heard a yell "three... Two... One... Ready or not! Here I come!" and with that a yellow blur shot over the hill she had just climbed, and as she, aleena, was still sitting on the road, so of course, she was blocking the yellow blurs way, the yellow blur gave a muffled scream, as she tripped over aleena's leg, turning out to be, as it landed, a female yellow hedgehog with shoulder length brown hair which had purple streaks, she had a flower tucked behind one ear, her eyes were green and sparkling with tears, as she nursed a bruised ankle.

"owwwwwwwwwww!! That hurt! You stupid cat" cassy.

Aleena got up and growled at cassy, her ears flat, her eyes narrowed,

She curled her tail, squaring for a fight,

"I am not stupid!!" aleena.

"are so"

"not"

"are"

"not"

"are"

"not"

“are”

“not”

“are”

“not not not!!!”

“I am cassy and I say you ARE!!!”

just at that moment, another yellow hedgehog, presumably the one who had passed earlier,

“hey not fair two against one!!!” *aleena*

hmm getting interesting isn't it?

“sunflower, that stupid cat hurt me!!! Get it away, its really vicious!!!” *cassy* addressed the other hedgehog, who had just arrived,

sunflower was just a little taller than *cassy*, with blonde hair, which had many colored streaks, her eyes were red/blue, her hair was knee length, and she had two pigtails dangling from the front, her hair was in a ponytail.

“cassy, im sure it was an accident” *sunflower* turned to *aleena* and smiled, “I am sunflower, this is cassy, one of my friends, im sorry if we got you into trouble or something,”

aleena immediately relaxed, and smiled, “im *aleena* the cat, girlfriend to *sabre* the hedgehog, *Sabrina's* brother,” ***sonicgirl***

she turned her gaze to *cassy* “im sorry if I hurt you it was an accident.... Will you forgive me...?”

cassy grinned, “of course!” she got up, “I was just a little irritated that you left a bruise that's all... friends?”

aleena smiled, “well.... Ive never had many friend before but I can try!”

and with that, *cassy* grabbed one arm, *sunflower* the other, and they sped off into the distance...

the end... for now?

I may continue this, but only once I get three comments okay..? bya!
