Chapter 1 - What To Do

2

1 - What To Do

?Tell The Class To...?

Directions: Write out a note saying for the class to do something all together at a certain time. Pass the note around the class [without the sub seeing] so that everyone reads it. Make sure the time is sometime in that class period and make sure everyone does it so that no specific person will get caught. Below are some ideas:

Tell the class to...

- 1) Hum the Star Wars theme song
- 2) Start coughing at the same time
- 3) Go up and ask the teacher a question at the same time
- 4) Get up and do the Macerana [Be careful with this one]
- 5) Get up and sign out to go to the bathroom at the same time. The teacher won't allow all of you to go
- 6) Get tissues and blow your nose loud and obnoxiously
- 7) Hum the Indiana Jones theme song [Thanks Silver!]
- 8) Start off by having one person drum a rhythm on their desk. Then, have people start to add on to the song by drumming the same rhythm softly
- 9) Start pen sword-fights with the people sitting next/across from you
