1 - Every Time We Touch

authors rant- yeah its a song by Cascada. Its in Kagomes thoughts about her feelings tord Inuyasha. The song is every time we touch.

Every Time We Touch

Kagome- *Why did Inuyasha have to die. But I have to remember what Sango said *starts crying* "Kagome Inuyasha always loved you and if there was a way to stop him from death we would save him but you cant hang on to everyone or thing forever"shes right you cant hang on forever but.*

*I still hear your voice, when you sleep next to me.
I still feel your touch in my dreams.
Forgive me my weakness, but I don't know why.
Without you it's hard to survive.*

*Cause everytime we touch, I get this feeling.
And everytime we kiss I swear I can fly.
Can't you feel my heart beat fast, I want this to last.
Need you by my side.
Cause everytime we touch, I feel this static.
And everytime we kiss, I reach for the sky.
Can't you hear my heart beat so
I can't let you go.
Want you in my life.*

Hes to hard to forget. I remember all the times we shared together. I'll never forget him never no matter what any body says.

*Your arms are my castle, your heart is my sky.
They wipe away tears that I cry.
The good and the bad times, we've been through them all.
You make me rise when I fall.*

*Cause everytime we touch, I get this feeling.
And everytime we kiss I swear I can fly.
Can't you feel my heart beat fast, I want this to last.
Need you by my side.
Cause everytime we touch, I feel this static.
And everytime we kiss, I reach for the sky.
Can't you hear my heart beat so
I can't let you go.
Want you in my life*

Inuyasha you not going to leave my thoughts no matter that. NEVER! Your to hard to forget. I just know

the others are thinking of you.

*Cause everytime we touch, I get this feeling.
And everytime we kiss I swear I can fly.
Can't you feel my heart beat fast, I want this to last.
Need you by my side*

Im sure no ones forgot you not even you brother.

authors rant- Its not much but thank Cascada for the song to make this story.
