1 - Revenge?

Dameon and i were in our bedroom getting ready for our diva's match when there was a semi-loud knock on the door, since me and dameon both had gotten serious beatings in the past two weeks, we were worried that on the other side of the door was umaga, kane or lashley

I, in fear for my friend, dameon getting hurt i walked to the door and prepared myself for the worst, i swung the door open and expected a punch, but i got hugged. i opened my eyes and it was jeff's warm body

"oh hi jeff whats up?" i said shakely

"Jamie whats wrong, you were scared when you opened the door" jeff said

"oh,,uh..no im..." i stammered

Jamie if its about kane or umaga or lashley any of them i will do my best to help you, kay?" jeff smiled as he held me tight in his arms

"AHHHHHHHHHHHHHHHHHH" jeff suddenly screamed and held me tight..he dug his nails into my back i clenched him tight, *gag*cough* then he went limp in my arms

"JEFF!!!" i cried as i held him against me

i looked up and jeff was semi-unconscious, he was limp as a ragdoll, then a white hand wrapped around jeff's neck. he began to get picked up, he got tossed into a metal pole, then hit the floor in a sitting position.

"JEFF!!!" i cried as crystal like tears bubbled in my eyes,

the figure in front of me was kane he stood there staring at me with a evil smirk on his face "dameon call batista" i called

"nuh uh uh" kane smirked "we took care of him"

umaga came out from behind kane

I couldn't tell dameon about batista, i just looked at her with tears rolling down my cheeks, she stared at me and my bloody bandaged

"Dameon, hide..im not letting you get hurt..not anymore, i need to see jeff" i said as tears streamed down my cheek

i locked the door and dashed out of the room

"JAMIE!!!!!!!!!!!!!!"dameon cried fomr behind the door,
