Chapter 5 - taking a chance...taking a bullet	7
Chapter 6 - final goodbye??	8
Chapter 7 - In my sights..and a white lie..discovered	10
Chapter 8 - friendship...	12

1 - Im found...and i dying?

I woke up in complete darkness...it surrounded every inch around my body..i was scared..the last thing i remember was red eyes peicing through darkness a pain in neck and then darknedd...i couldnt move i was tied up...i closed my eyes and thought...thne i opened them and i could see again...my hearing was better..i pulled at my hands and they came free..i got up and my neck ached i fell to my knees..i grabbed onto my neck and delt to punture holes...i pulled my hand away and felt dizzy i fell to the floor again..and grabbed my head...

"shoot" i groaned as i realized i was really weak...i looked at my waist..my gun was still there"if anything comes im ready..."

i heard the door open and the light blinded me i sheilded my eyes and pulled my gun pointing at the omonis figure...

"Jamie?" a familiar voice said"dont point that gun at me"

"Dameon its u..i was scared.."I groaned as i stood up against the wall"where am i..."

Were trapped in somekind of...i dont no..castle...its full of our enemies...where have u been its been like a week..."she said in a weird voice

Here i guess...i dont remember..."i walked over to dameon...i felt hot metal streak across my arm..."ahh..."i screamed

dameon whirled around to see a army of men..in black cloaks..she ran over to me to see the blood...suddenly she screamed..and fell to the floor...the bullet hit her...miussing me by a couple of inches..

Dameon!!"I yelled shooting my gun hiutting them one by one...

dameon got up and began sahooting i seen the bllood oozing out of her shoulder

"Dameon..ur bleeding"i cried

I know dont worry..."she said

I heard one loud shot and then i felt hot metal pound into my chest...i winced and fell to the floor, i looked at my hand as i pulled them away..the were soaked in blood...i fell against the back wall...breathing heavily.

"Dameon theres no way we can beat them all we have tp get out of here"i said shooting my rappel at the cealing.. i grabbed dameon my the waist and pulled her up with me..., i heard the men talking..there were sending men up to kill us..dameon was to busy shooting to hear them...

I grabbed damwons hand and began jumping building top to building top..

“where’d u learn to jumpro so well..i was the one good at that”she laughed

“i..i dont know..*groan*” i moaned falling to the floor only a buildings away from the castle

“jamie whats wrong..are u alright” she cried

“im fine...” i said as i passed out and the moons silver light flickered off my silver bracelet

2 - rising sun...rising..hurt..Isot friendship?

I woke up when the first ray of light hit me on the face..i opened my eyes and looked beside me i noticed dameon there...the orange sky caught my eyes...i tried to sit up but regretted it when a pain rushed through my chest...

dameon sat up and stretched i didnt look at her i just stared at the rising sun...my face hinted the colors of red and orange...

dameon ran over to me and pushed me on my back...i moaned as i fell to the ground,,she looked at my blood stained stomach .hard.

"im fine dont worry"

"thats what u said yesterday before u passed out.." she laughed touching the hole in my stomach

"oww...stop.."i whimpered...

"Jamie what did they do to u in there" she pondered...

"I dont know i only remember piercing red eyes..." i faded off looking into Dameon red eyes and they darted back and forth

"dameon...it..it was u...u attacked me"i said trying to get away...

"UR KNOW DAMN RIGHT" She said her claws growing as she took out her gun

"Dameon..why. why did u do that" I cried

She kicked me and I grunted in pain, I lay there on my back looking up at Dameon s he shot twice

"ahh.." i screamed. as the bullets hit me in the chest. then she shot again. one shot my arm and the other just missed my neck...

I looked up my eyes only barely open. I looked at her with tear-filled eyes

"Jamie. this is me" she sad evily,,she cocked the gun and pointed it at my chest.,," u have been holding me back.."

"Dameon ..i thought... I thought we were best friends" I whimpered..

Dameon grabbed her head and the gun went off. the bullet flew at me and it hit me in the shoulder..

"Grunt". my head fell to one side and I opened my eyes. I seen Dameon. .jump into the distance across building tops. I shut my eyes. and awaited the coldness of death...

3 - my savior..and thoughts

I felt my body get light and the wind whirled past me...the light stopped hitting me. I knew I was getting carried from building top to building top ...my body was pretty much numb. I only felt the wind n my hair...and the coldness of the air..

I woke up on another building top...my chest was bandaged up...and I was sitting against a pillar..i tried to move and noticed a black image. in a black cloak standing on the side of the roof diagonal from me. it began walking towards me ..i tried backing away

“Get away. Leave me *grunt* leave me alone. I didn’t do anything to u...leave me” I whimpered

“you shouldn’t be moving yet...your wounds aren’t healed yet” the cloaked man said

“get away. Leave me..”I said scared

“I said stop...lay down. your going to open your wounds again..” the voice said” Trust me. I m not here to hurt you...dont be scared.”

“Fine.. I grunted...”at least let me see your face....i need to see the face of the man. who saved me.

He turned around and walked over to me he knelt down beside me...he slowly began taking off his hood. the first thing I recognized were his blue-ish green eyes...then the neon hair. let it go

“ Jeff...I whimpered” I thought ..U hated me..”

“ I could never do that” he said moving my long blue bangs out of my face,...” now lay down and go to sleep..

“ Jeff I cant do that. I need to ...*grunt*...find Dameon. .something is wrong with her: I said...standing up

Jeff stood up...and touched my forehead...I fell to my knees...and then onto my chest. But before I hit the ground. Jeff caught me and laid me down...

He sat walked to the wall then stumbled and hit it he fell to his but...”these powers. There getting to strong. if it can take over Dameon.. Imagine .imagine what it can do to ...Jamie” he said looking over to my sleeping body.

He looked over the building top...a storm was coming...and it ...it was huge...

4 - finding my powers..and finding her

...I opened my eyes...and I was on jeffs back,. He was carrying me...the rain pounded down on his face. I was wondering why it wasn't hitting me. I looked u and he put me under his cloak. keeping me dry. I kissed his shoulder..and put the hood over his head ..he looked back and smiled...he kept jumping and he jumped onto a tall building...and he slid

“ahh..”he screamed clutching his ankle

I crawled beside him...jeff..jeff are u alright? ,...omg u hurt your ankle...Here let me help...” I said putting my hand right above it..then touching it softly...

A white light came out of my hand and went to his ankle..i winced in pain and fell backwards..i kept my balance...jeff stood up and looked at me confused” how..how did u do that”

“ i..i don't know..i just..i just felt..sad..and power rushed through me..and..and..ur ankle..its better” I said feeling lightheaded..fell against the wall...

“ Jamie.?,” are u okay” Jeff said holding me by the shoulders

“ yeah....i. .i'm fine” I said rubbing my eyes

I took off jeffs cloak..and put it over him..he was soaked and cold. my head throbbed. I closed my eyes and I heard.. Two people talking. the voices they. were Dameon and some really deep scary voice. I fell to my knees and landed in a puddle

“Jamie. Jamie..!, whats wrong?” he sadi worriedly picking me up out of the water

“ Jeff...dameon shes..down there /” I said pointing down

“Alright just let..lets stay up here for a while until u regain your strength “ he said sitting me down on the sry part of the roof...then he pu his jacket over me and kept me warm

cough”Jeff we have to be quiet. Or Dameon will hear us” I said ...

After a couple of minutes I stood up and walked to the door” ready?” I asked

“Yes..come one” he said as we approached the door.

5 - taking a chance...taking a bullet

I walked to door and slowly opened it...i seen matt hardy tied up. and john cena also tied...i seen shadow behind Jeff and pushed \him out of the way. and i seen a body so familiar i ran nd hugged himV/////

BATISTA" i cried happily...ad as quiet as i could

"Dameon,...there is something wrong with her. She/ is down there" jeff said pointing to the black door

"Let me go..."\Batista said chargingV past me

\
"Batista no.i have te best speed out of this. And\ your big body will attract more attention to you. its best if i go" i said

I looked at Jeff and worded " i love you" with my lips../ then jumped into the room. and darted off the walls landing silently beside matt and john. they looked at me happily and i smiled at them, Dameon's ears percked up. she \looked rer to where I not to was but in a instance I was against the wall and hiding. after a while she looked ba the mysterious dark figure and began talking again.. untied matt first and then john cena...i realized they ont have as much speed as m\e so they couldn't get out....so I decided to take a chance...i told them to run and /l das out of the corner and ran towards Dameon./i tackled her to the ground and matt hardy and john cena jumped out of the dark attic we were in...

I jumped of Dameon and just about reached the ceiling when I felt metal pound into my back and legs...I still managed to jump off the wall and get out the door but...electricity pounded through me...as I landed on the roof I fell into Jeff's arms

"AHHHHHHHHHHHHH"i cried clinging to Jeff as we jumped to a different building top

I continued screaming until Jeff shoved my face into his chest...Dameon jumped by and...my chest throbbed. I held Jeff tightly.. trying not to scream. she jumped passed and Jeff laid me down on the cold surface..

"AHHHHHH"i screamed again

"what's wrong with her?" matt cried looking at me

Jeff pulled up my shirt and looked at my back. his eyes widened and he pushed me completely on my stomach...

"well....what's wrong?" john said

Jeff looked at them concerned as he opened his mouth...the rain...fell harder...

6 - final goodbye??

As the rain pounded against the cold floor, Jeff spoke sternly and sadly.

"Guys the bullets dameron shot at her weren't meant to kill her. They were meant to torture her... Jeff said looking at my body

"But...but how?" Batista asked

"It sends electric charges through her body&and if we don't get them out of her soon she will...slowly and painfully...die" he said closing his eyes..

"John you and me with scout the area...matt and Jeff u stay here and help her. I know you to can save her...i know it" Batista said grabbing john and running of

"Matt I need you to hold her still,okay" Jeff said looking at matt

?Yeah matt grunted. Putting my head on his lap.

Jeff put his hand over my bullet wound and a red light wiggled around my wound I felt the bullet slowly raising out of my back.,. The red tinted bulled slowly rose out of my back. The tip stuck out and he grabbed it with his hand, electricity pounded through the bullet and Jeff's hands convoluted and he threw the bullet, john cam around just in time for it to hit him&

"YOU got it out? " john questioned happily

"Yea,I---did"Jeff panted

"Yo...bro you going to be alright? matt asked looking at him

"*cough* yeah, ill be fine..Just give me a minute.. Jeff grunted taking me off matt and putting me on him

" Well Jeff, we found a house&its empty..No one lives there anymore..and were gonna be in there is three houses down alright? Batista said running

I opened my eyes after everyone left,only Jeff was there, " Jeff are you alright? I said hugging him

"Jamie. I thought you weren't gonna make it Jeff sobbed hugging me back

" im sorry "

"For what?"

" making you worried&I never want to see a tear roll down you beautiful face" I said kissing him

Jeff put his hand on the back of my head deepening the kiss.

" Jamie,what are we gonna do about dameonn we can't let her rampage. she could kill everyone" Jeff said breaking the kiss

"I will go fight her" I said looking at him.

"but...she is too strong she will kill you".. Jeff said

" Jeff don't worry. I promise,.. I will come back to you,Jeff if im not back come and get mr ,in 40 minutes come to get me..alive or dead..alright? I said

"But Jamie I can't" Jeff said looking at me wide-eyed

"Jeff..dont tell the others where I went I don't want them to worry I said as me ad Jeff stood up

"but? " Jeff began before I broke his words by kissing him

"I love you Jeff don't forget it " I said letting him go and jumping a couple of buildings away

I looked back after a couple of building tops. Jeff stood there the rain pounding down on him&I heard his say two words "be careful"..

7 - In my sights..and a white lie..discovered

As I hopped building top to building top...the feeling of darkness began to overwhelm me. It sucked the air right out of me... It slowly began to get harder to jump from building top to building top. But the screams of people kept me going...the sight of black lightning told me...

"I'm near". I whispered to my self...

I hopped another two buildings away... I seen the black clothed woman I once called my best friend. standing only a few feet in front of me ...with a gloomy aura around her and black lightning shooting off her...I. she looked at me with blood red eyes...her fangs at there sharpest. Her nails at there longest...

"If I die today..." I began to speak to myself aloud "I die for a good reason"

I jumped towards her... "so it begins"

(Back at the house)

Jeff walks into the house and everyone looks at him

: where's Jamie" Batista asked

"Yeah, she was just hurt" john added

"I...i don't know" Jeff said trying to act

"JEFF U LET HER GO DIDN'T YOU!" matt snapped looking at Jeff

"Go...go... where" Jeff said as his eyes darted back and forth

"DON'T LIE TO ME JEFF...YOU LET HER GO TO FIGHT DAMEON!!" matt yelled

"Matt I had to...she made me...it's her job..." Jeff began

" BUT ITS YOUR JOB TO PROTECT HER...SHE IS YOUR GIRLFRIEND" matt said as a bolt of heartbreak shot through him" you cant just let the one you love ...go like that."

"Matt, john, Batista you don't understand..." Jeff said" she is the only one who can break it...."

"HOW DO U FIGUYRE I BET I CAN" John yelled at Jeff

" do you really want to feel a thousand knives piercing your skin, repeatedly...do you want to feel, bolts and bolt of electricity billowing through your body at an unimagivable rate..."Jeff said" john. This has been bottling up inside her for to long...Jamie...has a gift. As does Dameon...only the opposing power can defeat the other..."

“So ...Jeff...you’re saying...that...there’s a chance Dameon may die?” Batista sobbed

“Yes...and sadly...so might Jamie” he said with escaping tears...

Jeff looks at watch

In 20 minutes...we ...we will go retrieve what’s left of them...alive or dead” that’s what Jamie told me to do...and I shall listen”

“YOU’RE HONESTLY GONNA SIT THERE WHILE JAMIE IS OUT THERE...POSSIBLY DYING” matt screamed

“MATT SIT YOUR @\$S DOWN...JAMIE TOLD ME TO AND I WILL LISTEN IF WE GO THERE WE WILL GET IN THE WAY...AND BE EASY TARGETS FOR AN ATTACK...WE’LL ONLY BE IN THE WAY!” Jeff said sternly...

Matt sits down and all of them watched the clock as the final moments of there lovers live...may be counting down...right in front of their eyes...

8 - friendship...

I stood there staring at the person I once called my best friend...she smirked and the rain pounded against my black shirt...making it harder to move. I looked at her with sadness in my eyes. I jumped off the wall and catapulted at Dameon...the black lightning shot at me once just missing my face the other scrape past my arm. it came in contact and a bloody red streak lay across my arm and seen through my ripped shirt. I fall into her.. I kicked and she only moved a few inches...Dameon came at me with a punch to the face.. I avoided it but her free fist plunged into my stomach

“*unhnnn*I fell to the floor and clutched my chest. Blood tricked out of my mouth,

I jumped up and grabbed her arm a streak of white lightning flew out of our hands as we touched...I let go because of the sudden burning feeling on my arm...

That’s how I can beat her and that’s the only way for me to beat her,” I whispered to myself as I grabbed her arm...she clawed at my arm. Blood oozed out of the deep gashes left in my arm...she jumped off..and patted at her singed arm...I looked at her and then at my wounds...” this is getting to far”..” Jeff and the others will be here soon I have to hurry”

I took a plunge at her and hit her across the face with a punch, she fell to the floor and the black lightning grew over her. I bent down beside her and as I reached for Dameon a fist of black lightning hit me across the face and I catapulted into a nearby wall...

*gasp*the darkness is too strong I’m running out of strength....I have one final chance. before time and my strength runs out...but I can’t kill her. I know that’s not Dameon. .she is in there somewhere..’ I said to myself before walking up beside Dameon and grabbing her arm ...she levitated at the bolts of every surge through her and me...grey lightning struck at my face and open wounds...Dameon tried clawing at me she split the skin on my hand I was using...I didn’t let go ..Didn’t release my grasp on her wrist

“JAMIE!” Jeff and matt called me from behind

“No there not supposed to be here yet” I called

“I tightened my grip on Dameon and a surge of white lightning flowed out of my hand and wrapped around her head. She uttered word I was unable to here through I harsh breathing and screaming ... the black aura turned grey and burst ...I fell let go of her arm as she fell into Batista’s arms...I fell to the floor...Jeff cuddled my body in his arms..

“Jamie. Jamie wake up...you can’t be dead. You’re too strong...you can fight the darkness. you can pull through. I know it” Jeff sobbed

The pain hit the floor...making loud noises..

“Batista. Is Dameon alive?” matt said through tears...

Batista looked at Dameon.. She breathed heavily and slowly..." yeah..yeah..she is.." Batista said...looking at my doll-like body

"Jeff....I'm...I'm sorry" Batista said ..john looked out form behind him. Tears filled his eyes..

Jeff cradled my body in his arms...he touched my bloody arm and then ran his fingers through my wet blonde hair..

"Jamie...i... love you" Jeff said as a tear flowed off his cheek and landed on my face..

The same red light shot out of his hand and engulfed both me and Jeff in a red sphere of light...we levitated and Jeff grabbed me and held me against him. He began screaming in pain...my heart began to beat faster. the pace was normal..

"Jamie your. Your alive" He managed to whisper into my hair in between his screams

"JEFF! JAMIE!WHATS HAPPENING"!!!!!!!!!" Matt cried

Dameon flinched and a final bolt of black lightning shot out of her...it hit the red sphere and the red sphere broke. Jeff and I fell to the floor. matt rushed over and turned Jeff over

"JEFF!JEFF!" matt cried looking at him " your..your asleep?"

" Jamie is sleeping...she is alive. how did. she do that?" John said freaked

"it was her gift...John grab Jeff, ill get Jamie" said matt bending down to pick me up

Matt picked me up and walked down the stairs to the street following far behind the others..." hey Jamie" mat said

I nuzzled into his chest..."Jeff" I whispered to myself..

Matt looked at me and smiled...but I could feel he wasn't happy..

Batista put Jeff down. he woke up.. he walked leaning onto.. matt...

" matt...im sorry freaking on you back there Jeff said to matt

" no. its alright I was being stupid no worries" matt said " she has been asking for you"

Jeff looked at me. and smiled...we got to the house and matt laid me on the couch... Jeff picked my head up and sat down. My head was on his lap...

Batista laid Dameon down on the other couch and her head was on his lap

"Jeff...Jamie saved dameons life. She could have killed her. but she didn't. I owe her. And you" Batista

smile

“Me?” Jeff asked confused

“You helped her grow into what she is...a couple years ago. She may have killed Dameon...thank you”
Batista said

We were all together again. Bound by one thing. Friendship. it held us together. Through the hardest of times...and I think. It will hold us together..Forever...

(THIS ISNT THE ENDING....JUST SICK OF WRITING THIS STORY TODAY LOLZ)
