# 1 - Untitled

Out of the darkness and into the light,  
I smile and breathe in sheer delight.  
I am free, at last I've found,  
That for once I will be home bound.  
The thought of freedom captures my mind,  
So intently, I will not be blind.  
Over and again, the smells rush and flow,  
The wind shall be my only blow.  
The blades of grass sweep and sway,  
While the stars come out to play.  
Music plays a soft pure sound,  
That for once I will be home bound.  
Out of the darkness and into the light,  
I smile and breathe in sheer delight.
