Chapter 1 - The Ancient Tree

1 - The Ancient Tree

Like a wise old man that seems to know all,
It stood in the forest never to fall.
It's sturdy bows twisted and curled,
They were big enough to hug the world.
This enormous tree was home to all,
To those that were big, and even the small.
This ancient tree, through storms and fire,
Survived to grow higher and higher.
In its isolated spot, away from the city,
It would forever be called an ancient tree.
