Chapter 1 - I love you

2

1 - I love you

Yours is the face I see every day
Yours is the heart I hold dear
Your heart pure and loving
Yours is the voice I hear whispering sweet comfort
When my heart aches and I am blue
Yours is the humor that makes me laugh
Your presence the cause of my eternal smile
The strength and warmth of your embrace
The comfort and promise of your kiss
Are what reassure me you are here to stay
When worry plagues my heart you comfort me
You are my light that chases away the darkness
You drive away my fears
You bring peace to a world that is yours
All revolves around you
You bring peace and comfort when I need it most
I would give you my heart over and over
I continue to fall every second of every day
For every year until the day I die and we meet again
Then I would fall all over again
And once more give you my heart
