Chapter 1 - Death

2

1 - Death

Death

It's everywhere around you

In TV, media, and even movies too

It's in the air, over there, and underneath your feet

It's always in the newspapers, and warriors it does defeat

It happens to every one of us, no matter who you are

It's sometimes good, sometimes bad, and can even make you a star

It's only a single word, but powerful nonetheless

It can fill you full of hatred or put you in distress

No matter how you say it, you'll soon come to terms

And once you do, you'll be six feet under, lying down with worms.
