Beast Boys Jokes BeastBoys Jokes

Not so very long ago in a place of a T-shape there was a green teen boy. Now this was no ordinary teen for he was a Teen Titan and he was very bored. So he decided to tell some jokes to his five fellow Titan friends.

When he had finally got everyone to come (Raven taking the most time since she was as usual reading) into the living room of the T-shaped place he began.

These are the "jokes" and "responses" that were said:

Joke 1 part 1: "What do glow worms eat?"

Response from an annoyed Raven: "WHAT!"

Joke 1 part 2: "Light food. Get it light 'cause there're glow worms? "

Response: *cricket chirps in the back round*

Joke 2 part 1: What did the teddy bear say to the waiter when he asked would you like some more soup?"

Response from a very excited Starfire: What! What! What! I can't wait to hear what he said!"

Joke 2 part 2: "I'm stuffed. You know 'cause he's a teddy bear?"

Response: *Starfire now is puzzled and goes to ask what the joke is suppose to mean but when she looks at everyone decides she shouldn't*

Joke 3 part 1: "Why did the cookie go to the hospital?"

Response:.....

BB now looks over to see all his friends fast asleep

BB: "Oh come now it wasn't that bad. Was it? *BB thinks about this for a moment* "Oh well at least now I get the TV all to my self." *BB runs to get the remote and watch his favorite TV shows*

The End

Well I hope I'm not too late for the contest. Comments please and I take requests.
