This is a continuation of Ed Kidnaped. Do not read this until you read my other story first. Serenity has cat ears and a cat tail. She doesn't remember her past except for one memory. Can Ed, Al, Ray, and Flame help her?*

“You mean there are other people who look sort of like me?” Serenity asked. “Yeah.” Al said. “We’ll take you to them. Maybe they can help you figure out your past. Last time we saw them they were at South HQ.” Ed said happily. “Really! Wait a minute, you’re a State Alchemist?” Serenity asked. “Yeah. But before we go, we’ll just have to ask oh no.” Ed said. “What’s wrong?” Serenity said worried. “Nothing. I just have to ask that bastered (sorry for spelling) Roy Mustang. Oh well. Let’s go!” Ed said. YAY! Serenity screamed with joy. The three of them walked to East HQ with the 2 kittens following Serenity.

To be continued.....

My first chapter with my character. Yay! I’m so happy. I hope you liked this chapter. Ray* is Metalbeast’s character and Flame is full_metal_chemist_lover’s character.

2 - Off to Furryville!

Here it is, CHAPTER 2! YYYYYYYYYAAAAAAAAYYYYYYYYYY!!! I wrote half of it at school today, I was bored at lunch.

Chapter 2

Inside East HQ, Edward, Alphonse, Serenity, and the 2 kittens are heading towards Roy Mustang's office. As they walked, people would look at Serenity and then go back to work. "Why isn't anyone freaking out?" She asked Ed and Al. "The two girls that we mentioned before, Ray* and Flame, they're State Alchemist. People here really don't care." Ed said. "Ok. That makes me feel better." Serenity said. They all arrived at Mustang's door. "You wait here Serenity, we have to talk to Roy first." Edward said. "No problem. Just tell me when to come in." Serenity said with a smile. She bent down to pet the kittens. Ed and Al went into Roy's office. Roy looked up at the two boys. "What do you want now?" Roy said with an annoyed look. "We found this girl." Al said "She has no memory of her past except for one when she was little." Ed said. "Interesting. Is she with you right now?" he asked. "Yes, wait a sec. Serenity." Ed called her. Serenity came into the office with the 2 kittens. When Roy saw her, he was shocked. There was this short flashback, you see a little girl with cat ears and a tail, she kind of looks like Serenity but younger. He said nothing for a long time. "What's the matter? Cat got your tongue?" Serenity said happily. "No. I'm not used to Fullmetal bringing in strays." Roy said with a grin. "Hey! I'm not a real cat you numbskull." she said angrily. "Is it ok if we take her to Ray* and Flame?" Alphonse asked. "You think they might have a clue to Serenity's past?" Roy asked. "It's worth a shot Ed said. "I don't want you to shoot anyone brother." Alphonse said. Everyone looked at Al with a poor face. "Fine. If you figure out something, let me know." he said. "Whatever." Ed said. They all left Roy's office. Roy picked up the phone and dialed some numbers. "Hello. It's me. I got some news." he said into the phone.

~*~

Outside East HQ, "Well. I guess we're off to South HQ." Ed said. "Wait! I need to give these kittens a home. Every time I find a cat or kitten, I always find a home for them." Serenity said. "Ok. Do you have a place in mind?" Alphonse asked. "Yep. A town called Furryville. I know the name sounds goofy but anyone will take in a cat." Serenity said. "Uhhh. Ok. I guess we're off to Furryville." Ed said. Everyone started to laugh. "Where is it?" Alphonse asked. "It's not far. We have to go through the Creepy Forest." Serenity said. "Cr-cr-Creepy Forest." Al said with worry. "Lets go" Serenity said running ahead. The 2 kittens started running after her. "Wait for us!" Ed screamed while trying to catch up with her.

~*~

In front of a sign that says: Entrance to Creepy Forest, "Well, this is it. Lets go." Serenity said. They walked for about a half an hour. "Are we there yet?" Ed asked. "Not yet." Serenity said. All of a sudden a bunch of crows flew from a tree towards them. "AHHHHHHHHHH!" Alphonse screamed. "Come on Al. Don't tell me your afraid of birds." Ed said grinning. Al said nothing, he was too terrified to speak. Suddenly Serenity had an idea. She touched Ed on the back with her tail. Ed's face looked horrified. "SOMETHING'S IN MY SHIRT! GET IT OFF! GET IT OFF! GET IT OFF!" he screamed while running in circles. Serenity started to crack up. "Now look who's the scardie cat. No offense." Al said. "No prob." Serenity said still giggling. "Your gonna pay for that." Ed said. Serenity started to run with Ed chasing her. After a few minutes of running, everyone took a break. Serenity started to sing.

We will go everywhere together
We will be friends forever and ever
You will be there for me
And I'll be there for you too
No matter how far apart we are
We'll look into are hearts
To find one another

“That’s a nice song, Where did you learn it?” Al asked. “Yeah. It’s beautiful.” Ed said. “It’s the song that I sung with the girl from my memory.” she said. All was quiet. Lets go. We’re not too far from Furryville.” she said giggling a little. After ten minutes of walking they were at the front gate of Furryville.

To be continued.....

There ya go. I hope you liked it. I like this chapter, it’s funny. Hope you think so too.

3 - The circus is in town!

I give you chapter 3! Sorry I haven't wrote in a while. I wasn't feeling so good but now I am. I wrote half at school today, once again I was bored at lunch. Here's the chapter!

Chapter 3

Outside Furryville, "Ed, can I use your cloak?" Serenity asked. "Um... Sure, but why?" Ed asked. "The people in Furryville go crazy when they see a cat. If they saw me, they will go insane. I need to at least cover my tail, I can say that my ears are fake." she said. "Ok." Ed said while taking off his cloak. He handed it to Serenity. "Thanks!" she said while putting on the cloak. They went inside the town. Everyone took one look at Serenity's ears, then they came running towards her. All of a sudden there was a crowd around the tree travelers and the 2 kittens. "Are those ears real?" one person asked. " No, they're fake." she said. "Prove it." a lady said. Serenity used alchemy to make it look she was able to take off her ears, without the people seeing. "See." Serenity said. "Meow!" one of the kittens said. Everyone now looked at the 2 kittens. "Awwwwwwww!" they all said. "We need to find these kittens a home." Alphonse asked. "Any takers?" Ed asked. "I can't. I already have 3." someone said. "Me too." another said. "I'll take care of them." a little girl said. "Did you ask your mom or dad? Edward said. "Yes. I went to the shelter but they didn't have any." the girl said. "Well, if it's ok with your parents, of course you can take them." Serenity said with a smile. Serenity bent down and whispered something to them. The 2 kittens looked at the little girl, they walked up to her and then started to purr. The little girl picked them up and walked away. In about a minute so did everyone else. "What did you say to them?" Al asked. " I told them that this girl is going to take them to their new home and to be good." Serenity said. "They understood you?" Ed asked in shock. "Yeah! I can talk to cats." she said. Wow! That's a cool talent." Al said. "Now what? I'm tired and hungry." Edward complained. "There's this Inn I stay when I'm here, it's called Grandma's. She can't see very well so she doesn't know I have cat ears and a cat tail." Serenity. Someone overheard her, it was a man. He took interest in Serenity. "Fine with me, let's go!" Edward said in excitement. Serenity headed towards Grandma's. While walking they saw many posters about a circus in town. "Lets check it out tomorrow." Serenity said. "Yeah! That'll be fun." Alphonse said.

~*~

Inside Grandma's, "Hi Grandma. I'm back." Serenity said happily. "Oh, hello dear! I haven't seen you in such a long time. You've gotten bigger." the nice old lady said. "I'd like you to meet my friends, Edward and Alphonse Elric. Guys, I want you to meet Grandma." "Hello miss." Ed and Al said together. "It's nice to meet you. Will all of you be staying her tonight?" Grandma asked. "Yes. We're very tired and hungry." Serenity said. "You poor things. Make yourselves comfortable and I'll cook you something." she said while going to the kitchen. In 30 minutes dinner was ready. Everyone ate, except foe Al who pretended to eat. It was getting late so everyone went to bed. It was midnight and Serenity was still awake. She got out of her bed and went outside. She saw a brick fence and decided to sit there and look at the moon. A man appeared behind her, it was the man who overheard her. He had a big sack, he put it over Serenity. "Hey! What are you doing?" Serenity asked trying to escape from the bag. "Your going to make me rich by joining my circus." he said evilly. "WHAT!" Serenity screamed. The man used alchemy on the bag, Serenity stopped trying to escape. He took her to his circus tent. In the morning, Ed and Al didn't find Serenity in her room. "Where could she be?" Al asked. "She probably went to check out the circus tent. Lets look for her later, I'm hungry." Ed said with a big smile. "Oh

Brother.” Al said.

~*~

Inside the circus tent, Serenity was in a cage sleeping. She woke up. “Where am I?” she asked. She got up from the floor, she saw something on her arm. “What is this?” Serenity asked. Serenity looked around. In a corner of the cage, she saw a girl. She looked a little bit younger than Serenity. The girl had fox ears and a fox tail. “Hi! I’m Serenity. What’s your name?” she asked the girl. The girl looked up at her with a sad face. “My name is Aurora.” she said softly. “Where are we?” Serenity asked. “We’re in the circus tent, the ring master is going to make us perform.” Aurora said. “Why would he do that?” Serenity asked. “I guess to make him very wealthy,. Almost everybody here will pay a lot of money to see us.” Aurora said with a frown. Serenity saw that Aurora had the same thing on her arm that she had. “What is this thing?” Serenity asked. Aurora was just about to answer when the ring master came in. “I can tell you. If you don’t obey me, I’ll use alchemy on this staff and the energy in the staff will go to those bracelets and shock you.” the ring master said. “I don’t think so!” Serenity said. She used alchemy on her teeth, they got very sharp. She was about to bite the bracelet but the ring master used his alchemy to shock her. Pain went all over her body. Serenity fell down. Aurora went were Serenity fell.”Are you ok?” Aurora asked with a worried look. “Yeah.” she said as she got up. “Now we won’t be doing that, are we? Lets get moving, we have a lot to do before the show today. Serenity looked very angry.

~*~

Outside Grandma’s, “Where could she be?” Ed wondered. “Like you said, she probably is at the circus tent to watch the show. It’s about to start.” Al said. ‘Lets hurry and buy the tickets. We’ll probably run into her.” Ed said. Ed and Al bought tickets at the ticket booth. They showed their tickets at the entrance of the tent. They sat down. “Do you see her Brother?” Alphonse asked. “Nope.” Ed said. The ring master walked to the center of the stage. “Ladies and gentlemen, I give you the Animal Sisters (dumb name, I know). On top of the trapeze, you saw Serenity and Aurora. “WHAT!” Ed and Al said at the same time. “I didn’t know Serenity was going to be in the show.” Al said. “Something’s fishy here Al.” Ed said seriously. In 45 minutes the show was over. “Lets go talk to Serenity.” Ed said. Ed and Al were walking towards the stage but a huge man was standing in their. “Where do ya think your going?” the huge man said. “We need to talk to our friend, Serenity.” Ed said. “I don’t think so.” the huge man said. Serenity was about to go in the cage, she heard Ed screaming. “Edward?” she said. When the ring master wasn’t looking, Serenity ran towards Ed. Ed and Al saw her running. “AHHHHHHHHH!” Serenity screamed in pain. She fell down. “SERENITY!” Ed screamed. “Al! Take care of this guy while I help Serenity.” Ed said while he passed the huge guy. “No problem!” Al said while pounding his fists. Al beat the crap out of the huge guy. Ed got down to help Serenity. “What’s wrong?” he said worried. “Th-th-the r-r-ing mast-ster.... AHHHHHHHHH!” she screamed in pain again. The ring master was right in front of Ed and Serenity. “What are you doing to her?” Edward said angrily. “If she doesn’t obey she gets hurt.” he said. “What the hell!.” Ed said even angrier. “Leave or else.” the ring master said. “Not without Serenity.” Ed said. “G-g-et the o-o-ther girl.” Serenity said very weak. Ed looked at her. The ring master hit Ed with his staff. Edward fell on his back. He got up and clapped his hands, his metal arm turned into a sword. He ran towards the ring master, he slashed through the staff. “NO! My staff!” the ring master screamed. Ed started to beat him very hard. When he was done he clapped his hands, his right arm went back to normal. Al came running, he helped Serenity up. “Are you ok?” Al asked. “Yeah.” she said slowly. Aurora saw the whole thing. She was running towards Serenity. “Are you alright?” she said almost about to cry. She hugged Serenity. “I’m alright, thanks to my friends.” Serenity said happily. Ed and Al saw that Aurora had ears and a tail.

To be continued.....

OMG! I wrote 4 pages! I can't believe it. My friend, Animelover5793, begged me to put her in my story so I did. I hoped you liked this chapter.

4 - South HQ

Finally, chapter 4! Sorry it took so long to type it. I was very busy studying for the City Wide Reading Test and well I uh got lazy too. SORRY! On with the chapter.

Chapter 4

"Aurora, these are my friends Edward and Alphonse Elric." Serenity said with a kind voice. Aurora looked at Ed and Al. "Nice to meet you." she said looking down. "Guys, this is Aurora, she's from Dublith." Serenity said. "WHAT!" Ed and Al screamed. "Your from Dublith?" Al asked in shock. "Yes. Is there a problem?" Aurora asked with a worried look. "No, it's just that our Teacher lives there. Her name is Izumi. We were her first apprentices." Edward said. "Really! Izumi is my teacher too. She told me about you two." Aurora said. "No way!" Al said. "Aurora, how did you end up at this circus?" Ed asked. Her eyes sadden. "The ring master kidnaped me while I was sleeping in my bedroom. My parents tried to stop him when they heard me scream but he used alchemy on them." she said. "Um... Do your parents look like you?" Al said nervously. "Uhhh. Oh, you mean the ears and the tail. No they don't have ears or a tail like me. For some reason I was born with these extra features." Aurora said. "Ok." Al said. "Hey. We're going to South HQ. Do you wanna travel with us?" Serenity asked. "That's a great idea. After we see Ray* and Flame we can take you home." Ed said. "Really? That'll be wonderful! Aurora said with a happy face. "Lets go say bye to Grandma." Serenity said. Ed's, Serenity's and Aurora's stomache were growling. "After we grab a bite to eat ." Edward said. "yeah!" they all said. Back at Grandma's Ed, Serenity, and Aurora filled there hungry tummies. "Bye Grandma!" they all said. All four left Furryville. Someone was on tree. "So there you are. Serenity." the voice said. "So what's your story?" Aurora asked the three of them. Ed and Al told there sad story. Serenity told her all that she knew about herself. Aurora looked sad/ "Sorry." she said. "don't worry. It's not your fault." Serenity said trying to comfort her. They all walked in silence.

~*~

In about an hour they reached South HQ, "We're here. It's been a while since I've seen Ray* and Flame." Ed said. "Your right." Al said in agreement. "Where do we go next?" Serenity asked. "Well, they should be here or they could be on a mission. We'll have to ask the front desk." Ed said. They all walked into the building. There seemed to be no one at the front desk. "Hello!" Ed said. "They must be on their break." Alphonse said. "EDWARD ELRIC!!!!" a familiure voice said. Edward's face turned pale. "OH NO! What is he doing here?" Ed asked very scared. Major Armstrong came running down the hall. When he was close enough, he gave Ed a bone-crushing hug. "N-n-ice to s-see y-you too. C-c-an you l-l-et go of me?" Ed said. "Oh sorry." Armstrong said while letting go of Ed. Edward fell on the floor. "It's nice to see you Major. Is Ray* and Flame here?" Al asked. "Not at the time. They're on a mission but, they just called and said that they'll be here tonight. Wait a minute, who are these two young girls?" Armstrong asked. Edward got off from the floor. "Ow. My back. This is Serenity and this is Aurora." Ed said stretching. "I have to go. I have an important erran to run. It was nice seeing you two. It was nice meeting you two." he said. In a second, Armstrong ran out the doors. "That was weird." Aurora said with a puzzled look. "Yeah." Serenity agreed. "Now, we wait." Edward said with a bored look. Two hours passed, Ray* and Flame have not returned yet. "WHAT IS TAKING THEM SO LONG?" Ed screamed. "You still don't have any patience, huh Ed? Ray* said. "Pipe down you mutt." Ed said angry. "That's what you say to a friend who you haven't seen in a while." Flame said with a smirk. Ed's faced turned happy all of a sudden. "Ray*! Flame!" Ed and Al screamed.

To be continued.....

I know it's kind of short but there's more in the next chapter, I think. I hope you enjoyed this chapter!

5 - Love at first sight

I'm not sure what to say so I'll go straight to the chapter.

Chapter 5

Serenity just stood there and stared at the two girls. "It's great to see you two and I hope we'll get to see the other two real soon." Ed said happily. Ray* and Flame looked at Serenity and then at Aurora. "Hey, who are your new friends?" Ray* asked the brothers. "Oh yeah, this is Serenity and this is Aurora." Al said. "So there are more people who look like me, sort of." Serenity said. Ray* and Flame looked puzzled. "What do you mean?" Flame asked. "Well, Serenity here thought she was the only one with some um.... extra features. On top of that, she doesn't seem to remember any of her past." Edward explained. "That's terrible." Flame said sadly. "Yeah. Is there anything we can do to help?" Ray* asked. "That's why we're here, maybe you guys can help." Ed said. "Sure but lets talk in our study room." Flame said. "Ok." Alphonse said. They all followed Ray* and Flame to the study room. They all walked quietly. "Aurora right?" Flame asked. "Yes." Aurora said while nodding her head. "Why are you here?" Flame asked. "Well, I was kidnaped from my home. Edward, Alphonse, and Serenity asked me to come with them here, then they would take me home." Aurora said. She was feeling a little homesick. "That's so sad." Ray* said. The two girls stopped in front of a door. "come on in." Ray* said. Everyone went into the room. The room had a shelf with a couple of books. There were four couches that can fit three persons each. "Sit down." Flame said. Everyone sat down. "Tell us everything you know Serenity and we'll do our best to help." Ray* asked. "Ok. I don't remember anything except for one memory. I was little, I think about 4 or 5 years old, I was playing with this girl. We were spinning and singing. The song goes like this:

We will go everywhere together
We will be friends forever and ever
You will be there for me
And I'll be there for you too
No matter how far apart we are
We'll look into are hearts
To find one another

That's all I can remember." Serenity said. "Hmmm." Ray* was thinking. "That song. It sounds so familiure. I think I've heard it somewhere before." Flame said trying to remember. "looks like we came to the right place." Ed said. "Maybe I can help." Gale said. "Yeah, me too." Rage said. Serenity was startled, along with Aurora. "Who said that?" Serenity said worried. "That was Gale and Rage." Al said. "Who?" Serenity said confused. "Sorry. We forgot to tell you something else about Ray* and Flame." Ed said as he sweat dropped. "You didn't tell her?" Flame asked angrily. "Way ta go Mr. Forgetful." Ray*said. "HEY!" Ed said ticked off. "Me and Flame share a body with someone else. I share mine with Gale." Ray* said but was cut off by Flame. "And I share mine with Rage. Does this make sence?" Flame asked. "Not really." Serenity said with more confusion. "We'll show you." Ray* said. Ray and Flame started to transform. In 5 seconds they both turned into Gale and Rage. As soon as Serenity saw Rage, she fell in love. When Rage saw Serenity, he fell in love as well. "Hi! I'm Gale." Gale introduced himself. "And I'm Rage. It's nice to meet you. Rage said blushing slightly. "Your being nice for a change." Gale

said with a grin. Rage turned to Gale angrily. " I was just being polite. These girls had it tough enough, it would be wrong for me to give them a hard time." Rage said. "Rage your so considerate." Gale teased. "SHUTUP!" Rage said furiously. "Will you two ever stop fighting?" Ed asked. "NO!" Gale and Rage screamed. Ed and Al sighed. "I'm tired." Aurora said trying to break the fight. "Your right. It's getting late." Serenity said. Rage stopped being mad. "Then we'll show you to your rooms." Rage said. He led them to spare rooms. "Thanks." Aurora said sleepy. Serenity turned to Rage. "Yes, thank you very much." she said turning red. "No problem. Good night." Rage said also turning red. The girls went into their seperate rooms. "What a gentlemen." Gale teased again. "Will you shutup? I can't believe I'm going to have to share a room with you." Rage said angrily. "Too bad." Gale said still smiling. "See you guys in the morning." Ed and Al said. "Good night." Gale and Rage said. Edward and Alphonse went into the same room. Gale and Rage went into theirs. It was almost midnight. Serenity opened her door quietly, not to wake up her friends. Rage was still awake, he heard the door open and close. He opened his door to see who was up. Rage saw Serenity heading outside, he decided to follow her.

~*~

Outside, Serenity jumped on to a leafless tree. She was gazing at the pale moon. Rage saw her on the tree, he walked up to it. "What are you doing up so late?" Rage asked. Serenity was startled. She looked down and saw the handsome boy. She started blushing. "Nothing, I just like to look at the moon sometimes. How about you?" Serenity asked. Rage started blushing too. "Well, I heard you leave your room and I was wondering what you were up to." Rage said. "Since your up, want to join me?" Serenity asked shyly. Rage's heart was pounding. "Um.....Sure." he said nervously. Rage climbed up to the tree were Serenity was sitting, he sat next to her. "The sky is clear tonight." Rage said. "Yeah. Isn't it beautiful?" she asked. "Yeah." he said looking at Serenity. Serenity looked at him but Rage turned quickly. They both were blushing a rosey red. The whole time they were on the tree, Gale was watching them from the door. "Lovebirds." he said smiling.

To be continued.....

Awwwwwwwwwwwwww! This is such a cute chapter. Serenity and Rage, sitting on a tree, litteraly.

6 - I Love You

I thought the last chapter was soooooooooo cute! I'll do my best on this one too! Here you go, Chapter 6!

Chapter 6

Still outside, "It's getting late. We should go to bed." Rage said. "Your right." Serenity said. Serenity and Rage jumped off the tree. They were about to go into the building when someone grabbed Serenity by the arm. "HEY! Let go of me." she said trying to get away. A guy wearing black all over pulled Serenity closer to him. "Your kinda cute, even though you look like a freak." the guy said. "LET HER GO! Rage said angrily. "Sorry freak but your girlfriend is coming with me!" the guy said while he took out a knife. Serenity's eyes got bigger. The guy was pointing it towards Rage. Rage ran towards the guy, he knocked the knife out of his hands with his tail. Rage got Serenity away from the guy in black. When she was out of the way Rage punched the guy in the stomach. They guy fell on his knees. Rage walked towards Serenity. "Are you all right." he asked. "Yeah. Thanks." she said blushing. "Lets go in." Rage said with a smile. The guy reached into his pocket and pulled out a gun. He pointed it at Serenity. Rage pushed her out of the way, when the gut pulled the trigger, he hit Rage's arm. Rage looked at his arm, he was bleeding. Serenity rushed to Rage's side. "Are you ok?" she asked. He didn't answer. Rage ran at the guy. He grabbed the gun and broke it into little pieces. Rage started punching the guy so hard that the guy was bleeding. Some of his blood was on Rage's face. His eyes turned completely red. Gale rushed out of the building. "Oh no you don't" Gale said. Gale grabbed Rage's arm, the one bleeding. He made Rage lick the blood. Rage's eyes turned to normal, but he quickly passed out. Gale picked him up. The guy in black ran away very quickly. "What just happened?" Serenity said looking very shocked. "I'll explain but first we need to fix up his arm." Gale said. She nodded.

~*~

Rage and Gale's room, Gale put Rage on his bed. He took out the bullet from his arm. Serenity came in with a bowl of hot water and some cloths. She put the cloth in the bowl and then to Rage's arm. "Is he going to be all right?" Serenity asked with a worried look. "Yeah, It'll take more than a bullet in the arm to keep him down. Your probably wondering what happed, right?" Gale asked. Serenity nodded. "Well, when he tastes other people's blood, he loses control and attacks that pereson until he/she is no more. They only way we know to snap him out of it, is if he tastes his own blood." Gale explained. Serenity looked shocked but when she looked at the sleeping boy her face turned sad. "I'll let you stay here. I'll be in your room." Gale said as he lft the room. Serenity took a dry cloth and wrapped it around Rage's damaged arm. Rage slowly opened his eyes, he looked at Serenity. "Your ok?" she asked worried. "Yeah." Rage said softly. "Why did you do that?" Serenity asked. "You mean the blood thing?" he asked. "No. I mean, why did you take the bullet?" she asked. "I didn't want you to get hurt." Rage said. Serenity blushed a little. "But, why?" she asked. "Because.... Because I love you." Rage said looking into her eyes. Serenity was surprised. "I know, your thinking why a horrible monster like me likes you." he said sadly. "No. Your wrong. I love you too. she said blushing even more. Rage was shocked. "But, how can you love a monster like me?" he asked. "Your not a monster. When I saw you, I fell in love right away. In your eyes, I saw a gentle kind hearted boy." Serenity said. Rage started blushing too. "Blood, what happens if something goes wrong and I hurt you?" Rage said. "don't worry. I know you can control yourself. I believe in you, you have to believe in yourself." Serenity said sweetly. "Believe in myself." he repeated. "Now get some rest. Gale is sleeping in my room. I'll be on his bed if you need anything."

Serenity said with a smile. In a few minutes they both fell asleep. In the morning, Rage woke up to a plate with fish next to him. He saw Serenity sitting on Gale's bed looking at him. "I've heard they're your favorite." she said with a smile. "Thanks." Rage said blushing. He ate all of the fish in about 3 minutes.

To be continued.....

Serenity and Rage told their feelings about one another. Now what will they do next? I know it's kinda short but I'm tired, good night!

7 - A Plot

Here is another chapter! So...um....enjoy! ^_^

Chapter 7

Edward came into the room. "Awwwwwww. The bad boy has a sensitive side." he joked around. Rage stared at Ed with threatening eyes. "Don't mess with me." he said angrily. "I was just kidding." Edward said. Aurora came into the room, she looked like she just woke up. "Are both of you ok? I heard the story. So, you guys boyfriend-girlfriend?" she asked. Rage and Serenity both looked at each other and then started to blush. "I guess." Rage said. "Yeah." Serenity said. "SO CUTE!" Ed said to annoy them. Serenity threw a pillow at him. Edward fell down and got up quickly. "HEY! That's the thanks I get for bringing you here?" he said. "Your right, I'm sorry." she said not meaning any of it. "Gale, let me come out." Ray* said. "Yeah Rage, me too." Flame said. "Hey! We just got out, besides you didn't let us come out during the mission." Rage said. "He's right. At least let us stay out for one more day." Gale said. "Fine." Ray* and Flame said together. Gale and Rage smiled happily. "Yesterday you said that you remember a little girl. How did she look? Gale asked. Serenity started to think. "She has long black hair, she had it in a pony tail. She has blue eyes and she wore a blue dress. I think her name began with an E." Serenity tried to remember. "Ok. So today she is about around our age. Do any of you guy's know a girl who might look like our mystery girl?" Rage asked. Everyone started to think. "Wait. I think she has a brother. I remember a boy watching us from the house, he looked about 18 or 19 years old." Serenity said. "That helps a little." Alphonse said. "Yeah but we need more clues." Edward said. "Can you remember what he looks like?" Aurora asked. "He has short black hair. He is able to use alchemy. He taught me and the girl." Serenity said. "Now we're getting somewhere. These two people are alchemists. That narrows it down." Ed said. "Anything else?" Rage asked. "No, but I can describe the house from the outside. It's pretty big, it's white and has a red roof." Serenity said. "They might still live there right now." Alphonse said. "Your right, but there are a lot of white houses with red roofs." Gale said. "Well, it's better than nothing." Aurora said with a smile. "Your right." Rage said. "Thanks for helping me." Serenity said. "We are your friends, of course we'll help you. One of us is more than just your friend." Edward said looking at Rage. Serenity looked at Rage and started to blush. Gale and Ed's stomachs started to rumble, everyone stared at the two of them. "I guess it's time for breakfast." Gale said. "Yep, I'm starving." Ed said agreeing with him. "Lets go eat!" Aurora said. Everyone headed to the mess hall.

A place I don't know, the guy in black who was beat up by Rage went up to a man wearing a gold cloak. "What's wrong with you?" the man with the cloak asked. "I was attacked." the guy in black said. "Really?" the man with the cloak said. "I think I found him." the guy in black said. The man looked surprised. "Where?" he asked in a rush. "I saw him just about to go in the South HQ." the guy said. All of a sudden, Envy came out from the darkness. "It seems that you need someone." Envy said. "Who are you?" the man in the gold cloak asked. He saw the Homunculus sign. "My name is Envy." he introduced himself. "So, your a Homunculus. What do you want.?" the man asked. "Well the boy you want is in love with the girl I want. Maybe we can help each other to get what we want." Envy said smiling. "How would we do that." the man asked grinning. "Leave that to me. So, do we have a deal?" Envy asked. The man thought for a minute. "Fine." he said.

The mess hall, everyone is staring at Edward eating his 5th dish. "are you done yet?" Gale said with an

angry face. "Nope." Ed said with food still in his mouth. "Well then hurry it up." Rage said angrily. "I'm going to take a walk, anybody want to come?" Serenity asked. "I will." Rage said very quickly. "We'll stay here with Ed, making sure he doesn't eat the whole building." Gale said. "HEY!" Edward said once again with food in his mouth. "Yeah. You two teens in love take a walk together." Aurora said with a cute smile. Serenity and Rage looked at each other and blushed. They both left the building. "Now we're going to teach Ed how to eat with his mouth closed." Gale said with a grin. Alphonse, Gale, and Aurora stared at Ed. Ed looked up. He swallowed his food and opened his mouth for them to see. "Like that." Ed said smiling. "Now that's a good boy." Al said. "Great! Now, can I have a cookie?" Ed asked. "NO!" all three of them screamed.

Outside, Serenity and Rage are walking. "Can I ask a question?" Serenity asked. "Go ahead." Rage said. "You and Flame share a body and Ray* and Gale show one too. Why is that?" she asked. "Well, Gale was already inside Ray* when she was born. The reason me and Flame share a body is because when I tried to bring back my brother I lost my entire body, I was lost in the gate. Then one day, Flame tried to bring back her sister but she lost her arm and leg. She also got a scar on her eye. That scar, how can I say it? That scar is me. That's why we share a body." Rage explained. Serenity stopped and looked at Rage. "I'm sorry." Serenity said looking sad. Rage put his hands on Serenity's shoulders. "It's not your fault. It was our mistake." Rage tried to make her feel better. "But still, it's so sad." she said. A ball came flying from across the street. Serenity caught it. Two kids came running where the ball came from. A car was coming, the kids just froze. Rage went at top speed and grabbed the two kids before the car could hit them. He put them on the side walk. "Are you ok?" Rage asked. The kids looked at him and nodded. Serenity came with the ball running towards them. "are you guys ok?" she asked. "They're fine." Rage said. "You have to look both ways before you cross the street." Serenity told them while giving their ball. The two kids nodded again. They looked both ways and then crossed the street. "That was too close." Rage said in relief. "Yeah."

8 - Scar!

So far my chapters don't have a lot of action so I'll put some here. Ok, here I go! Just incase you don't know, when I type before you read my story, I haven't writtin anything at all. When I type after my story, that's when I have finished. Does this make sence?

Chapter 8

"Rage, can I talk to Serenity?" Flame asked. "Sure, go ahead." Rage said as he kept walking. "I mean, let me come out so I can talk to her in person." Flame said. "You said I can stay out today!" he said with a little anger. "Please. You'll come back out when I'm done." she insisted. "Alright." he said. Rage started to change into Flame. "It's great to be out! You better not listen to our conversation or you won't come back out." Flame warned. "WHAT! FINE, be like that." Rage said pissed off. Flame looked at Serenity as they started to walk. "I just want to warn you about Rage. He may do some bad things when he tastes blood. You may know that already but he can't contol himself even if you tell him to snap out of it." Flame said. "Don't worry. I believe that Rage can controll himself, you just have to have a little faith in him, I do." Serenity said smiling. "You may be right but just be careful sometimes. If he hurts you, remember he can't controll himself sometimes. I can tell he really loves you, so he will do anything to protect you." Flame said. "I love him too. I'll do the same for him." Serenity said as they stopped in front of an ally. A man was at the back of the ally looking at Flame. "Flame Sea, the Winged-Beast Alchemist!" the man said while attacking Flame. He pushed her into another ally. "FLAME!" Serenity screamed while chasing after the man. Flame quickly got up and flew up into the air. "What's wrong with you. Wait a minute, your Scar! The guy who kills State Alchemist." she said in shock. "Yes and now you are going to perish." Scar said as he used alchemy on the wall. At the very top of that wall, it started to crumble. Broken pieces of the wall fell on Flame. She was trapped under that rubble. "Time to say good bye." Scar said as he walked up to Flame. "No way!" Serenity said as she scratched his right arm. The sleeve feel off. You can see a transmutation circle tatoood on his arm. "What kind of a transmutation circle is that?" Serenity asked herself. While Serenity was distracted Scar punched her in the stomache and she went flying (yes flying) into a wall. Flame slowly got the rubble off of her. She saw Serenity on the floor. "Serenity! She's not a State Alchemist so leave her alone!" Flame demanded. "Anyone who stands in my way will perish as well, it is the will of God!" he said about to attack Flame. She flew up into the air again and attacked Scar from the top. Serenity got up very slowly and saw that Flame had some difficulty fighting Scar. Serenity quickly sneaked up to Scar and attacked hid back with her nails. "This is pay-back." she said as he fell on the floor. He got up and put his arm on the floor and then on the wall. Spikes came from the floor and were heading towards Serenity, spikes were coming from the wall towars Flame who was still in the air. Serenity managed to jump from the spikes on the ground but not the ones that were in the air. She fell hard on the floor. Flame flew towards Serenity to help but a spike hit her wing and then she fell on the ground.

At South HQ, Ed, Al, Gale , and Aurora were going to look for Serenity and Rage. Aurora and Gale stopped. "Something's wrong." Aurora said, her ears moved a little. "I sence danger. Serenity and Rage need our help." Gale said. "are you sure?" Ed asked. "Yeah." Aurora and Gale said. They all left running out of the building.

9 - The dream

This chapter will tell you about Serenity's past. There may be some shocking news so be prepared. This chapter may help you with your stories! (full_metal_alchemist_lover and Metalbeast). Enjoy! ^_^

Chapter 9

At the hospital, Rage busts through the door with Serenity in his arms. Everyone else was right behind him. Everyone in the building was startled. "Please.....Help her." Rage said out of breath. The nurses quickly brought a stretcher (bed on wheels), Rage gently put Serenity on it. The nurses quickly took her to the emergency room. Rage noticed that Serenity's tail was different, it has a black stripe on it. "Serenity never had a stripe on her tail." he thought to himself. "I hope Serenity is going to be ok." Aurora said with worry. "Don't worry, Serenity will be alright, she's tough." Gale said. "Yeah, from what I've seen, she's a strong girl." Edward said. Everyone took a seat in the waiting room except for Rage. He was pacing. "Can you stop that? Your making me dizzy!" Gale said. "Just relax a little." Alphonse said. Rage stopped. "RELAX! How can I relax when Serenity is in the emergency room?" Rage said a little pissed. "Don't worry, like Gale and Ed said, she'll be fine." Aurora said. Rage calmed down a bit. "Ok." he said while sitting down. Three hours past and there is still no word on how Serenity is doing. "What's taking so long?" Rage said as he got up from his chair. "I don't know?" Al said. A man in a white jacket came towards the teens. "You're here for Serenity?" the man asked. "Yeah." they all said. "Well, she hasn't woken up yet but she's alright. She used up a lot of her energy. She has a lot of wounds but a week at the hospital should do her some good. I you want, you can all check on her." the man said. "Yeah." they all said relieved that Serenity is going to be ok. The man lead the teens into Serenity's room. She was asleep on her bed, she had a lot of bandages. Rage walked towards the bed. He looked at Serenity and smiled a little. "Just push that button if you need any help." the man said. He walked out of the room. "See Rage, Serenity's is going to be fine." Edward said. "You know what? I bet Serenity would love it if she woke up next to a vase full of flowers." Aurora said happily. "Yeah, lets go get some." Al agreed. "I'll stay here. You guys go do that." Rage said. He took a chair and sat next to Serenity. Gale walked up to Rage and put a hand on Rage's shoulder. "Don't worry, she'll be ok." Gale said. Ed, Al, Gale, and Aurora left to get flowers. Rage kept starring at Serenity. While Serenity was sleeping, she was having a dream that might change her life.

~*~

Serenity's dream, a little girl with ears and a tail with three black stripes was under a tree asleep, she had a lot of wounds. A boy and his little sister was walking by when they saw the little girl under the tree. "What the-" the boy said. The boy came running towards the hurt girl. "Roy, is she ok?" the little girl asked her brother. "I'm not sure Emird, lets take her home." Roy said as he picked up the injured girl. They quickly went home. As soon as they got there Roy put the girl on a bed, he badaged the girl. Roy and Emird left the girl to get well. Very early in the morning, the little girl woke up. She looked scared, she looked at her surroundings. "Where am I?" she said to herself. The door opened a little. Outside Emird was peaking into the room. She saw that the girl was awake and came in. "Are you ok?" Emird asked. "I think so except for the boobos." she said while rubbing her head. "That's good. Hi! I'm Emird Mustang. What's your name?" Emird asked with the cutest smile. "My name is Serenity." she said. Emird went next to Serenity. "That's a pretty name." Emird said. Roy was at the door. "So your awake. How are you feeling?" he asked. Serenity just stared at Roy. Emird ran to her brother. "Serenity said she feels fine except for her boobos." Emird said. "So your name is Serenity?" Roy asked. Serenity

nodded. "Are you hungry?" he asked. "Yeah." Serenity said. "I'll make you some breakfast." Roy said. He left the room. "I'll be right back." Emird said with that cute smile again. She ran off to her brother. A few minutes later, they both came into the room with food. Roy placed the food on the bed where Serenity was. She started to eat. In a couple of minutes the food was gone. "How old are you?" Roy asked. Serenity looked at Roy. "I'm five." she said while showing Roy her hand. "Me too!" Emird said happily. "Where are your parents?" Roy asked another question. Serenity looked down and started to cry. "They're dead." Serenity said. Roy and Emird looked sad. "How?" Emird asked. "Some people wanted to test on me or something like that, but my parents wouldn't let them do it. Those people got angry and started attacking us. My parents told me to run away just before they died." Serenity explained still crying. "Why did those people want you?" Roy asked. "I'm not sure. My parents told me that I am very special. I have this power inside of me. That's what they told me." Serenity said. She stopped crying. Roy looked at her with a smile. "We'll take care of you. I'll be your brother and she'll be your sister. Ok?" Roy said. "Really? Ok then." she said with a cute smile. Roy gave Serenity a hug. "By the way, my name is Roy Mustang." he said still hugging her. "Roy." Serenity said to herself. Emird was feeling lonely so she joined the hug. Many days past, Roy, Emird, and Serenity were getting along very well. Serenity's parents taught her alchemy, since Roy was teaching Emird, he decided to teach her too. Roy and Emird never bothered to ask Serenity why she had cat ears and a tail. The three of them were all happy with their lives, but that was about to change. Someone with a palm tree as hair(yes, Envy -_-') broke into their house. "I finally found you. Your parents should of just handed you over to us." Envy said with a grin. Serenity and Emird looked scared. Roy went in front of the two girls. "Your not taking Serenity." Roy said while putting a white glove on. He quickly snapped his fingers, there was a big explosion. The house was on fire. Roy picked up the two girls and ran out of the house. "That should take care of him." Roy said to himself. "I don't think so." Envy said while attacking Roy with a kick. Roy dropped the girls and passed out. Emird ran to her brother, she started shaking him. "Brother, get up." she said with tears in her eyes. Envy walked slowly towards the two of them. "He's fine, for now." Envy said with a big grin. He was about to attack the two of them when Serenity came in front of them. "Get out of the way! I need you." Envy said with anger. "Your not going to hurt my family." Serenity said as her eyes started to glow. Two black stripes were added to her tail. Serenity started to change. "What! But it's too soon!" Envy said with shock. Serenity changed into what looks like a baby tiger. Emird was also shocked. Serenity jumped on top of Envy, she started to slash him with her powerful nails. Serenity also bit him. Envy kicked Serenity, she fell on the ground. She was too weak and fainted. Serenity turned back to normal. "She may be able to change but she still can't control her power. She will soon." Envy said as he picked up Serenity. Envy quickly ran off with her. "SERENITY!" Emird screamed. Envy traveled very far from where Roy and Emird were. He was still running. Serenity woke up and saw Envy. Her teeth grew and she bit Envy very hard. Envy dropped her and grabbed the place where the bite was. "That brat." Envy said. Serenity was rolling down a hill, she couldn't stop herself because she was too weak. Serenity hit her head on a rock and she passed out. Luckily she stopped where there was a corn field. "Dammit! Where did she go?" Envy said looking for Serenity. After 30 min. he left to look somewhere else. Serenity was still out cold. In a week she finally woke up. "Where am I?" she asked herself. She rubbed her head. "What am I doing here?" she asked another question. "I don't remember anything." Serenity thought to herself. Then she remembered playing with a girl and her brother watching the two of them. "Who are these people? Why can't I remember them?" she asked herself. "I must find out who they are." Serenity hit her head so hard that she has amnesia. Since that day she has been searching for who she is. On her journey many people treated her very badly because of the way she looked. That's when she decided to hide from the world.

In Serenity's room, Serenity woke up. She saw flowers next to her on a desk and on a chair she saw

Rage sleeping. She got up slowly, she felt a lot of pain. Rage woke up and saw Serenity up. "Your awake!" Rage said happily. "How long was I out?" Serenity asked. "About 2 days." Rage said. "2 days!" she said in shock. He nodded his head. Ed, Al, Ray*, and Aurora came in the room. They were glad to see Serenity awake. "Your up!" Ray* said with excitement. "It's nice to see you again." Serenity said with a smile. "How are you feeling?" Aurora asked. "I'm fine just some scratches." she said. "I'm glad to here that your ok." Ed said. "Me too!" Al said. I need to tell you guys something. I think I know who I am." Serenity said. "WHAT!" they all said in shock. Serenity told them what she can finally remember. "WHAT! Roy has a sister!" they all said in shock. They were all quiet. "Now I remember where I heard that song." Flame said who was still inside Rage. "I heard Roy sing that song once, not very good a might add. "I just don't get why he didn't say anything when he saw you." Ed said thinking. "Maybe he forgot." Al said. "Well lets go find out right now." Serenity said as she tried to get up. Rage stopped her. "Not until you are better." Rage said while making Serenity lie back in bed. "But-" "No buts." he said. "I don't want to see you up until you're well." Serenity just stared at Rage. "Fine." she said giving up. "Who brought the flowers? They're beautiful." Serenity asked. "Rage got them!" Aurora said happily. Rage looked at Aurora with a confused look. Aurora winked at him. Serenity started to blush. "Thank you!" she said with a smile. "Your welcome." Rage responded. A figure moved away from the window. Rage opened it and stuck his head out. "What's wrong?" Ray* asked. "I thought I saw-nevermind, I'm just tired." Rage said as he closed the window. Serenity looked at Aurora. "As soon as I get better, we'll take you home." she said. "It's ok. I spoke with my parents, they told me I can travel with you guys." Aurora said. "Ok." Serenity said. "You should get some rest. Your not leaving until you 100% better." Ray* said with a smile. "Alright." she said. Ed, Al, Ray*, and Aurora left the room. "Get better." Rage said. He bent down and kissed Serenity on the cheek. Serenity and Rage started blushing. He left the room. Serenity put her hand where Rage kissed her. "Rage."

To be continued.....

Well, that's Serenity's past. She still doesn't remember who her parents were exactly but she is ok as long as her friends are with her. Well, I hoped you were surprised that Roy Mustang is Serenity's brother, sort of. My fingers hurt.

10 - Train Hijack!

Sorry it took so long to write another chapter, I had to do a story for language arts. Here is the chapter!

Chapter 10

At the hospital, a week has past since Serenity was hurt, now they can go see Roy Mustang. "Lets hurry before we miss our train!" Flame said running. "Why are we always late?" Edward asked. "Well, if you didn't eat so much we would already be there." Ray* said angry. "HEY! I'm a growing boy, I need food." "Really, you still seem short to me." Flame teased. "WHO ARE YOU CALLING SO SMALL YOU WANNA CRUNCH LIKE AN ANT?" Ed screamed. "Ed, she said nothing like that." Alphonse said. "Stop talking and keep running." Serenity said. When they got to the train station the train was already leaving. "OH NO!" they all screamed. "Keep running, we can still catch up to it." Aurora said. They all ran as fast as they could and jumped on the train. "We....made....it." Ray* said out of breath. "Next time Ed, lets just have two bowls of rice, not six." Al said. "You don't understand, I need food to keep me going." Ed explained. "Come on Ed. I like to eat but not as much as you." Flame said shaking her head. Ed kept quiet and went inside the train to get a seat. Everyone else followed. "Cool! We have the whole cart to ourselves." Aurora said. "Yeah!" Ray* said with a smile. They each took their seats. 30 minutes passed, someone started to talk on the speaker. "We are the Eastern Liberation Front Blue Squad and we're taking this train for our uses." "Another cult, gees, what is the world coming too?" Ed said as he looked out the window. "Aren't you going to do something?" Serenity asked. "Why should I?" Ed said looking at everyone else. "I don't know Ed, after all you ARE a State Alchemist." Serenity said with a stern face. "Oh yeah, I forgot." he said. Everyone looked poorly at Ed. All of a sudden two men came into the cart. "Who are you freaks?" one of the men (1) asked. "Hey, you two shorties, take the goods from the tin man and the animal girls." the other man (2) said, he was talking to Ed and Ray*. Their eyes turned black. "Who are you calling shorties?" they both said, grinding their teeth. "Who else is there? Now go get the goods and bring them over here shorties." the other man (1) said. Ed and Ray* got even angrier. "WHO ARE YOU CALLING THE WORLD'S MOST TINIEST PIPSQUEAK!" they both screamed as they clapped their hands and turned thier auto mail arms into hammers. They both hit the two men, they went flying out of the cart. "Wow!" Aurora said amazed. "Who are these guys" Al said as he walked toward Ed and Ray*. "Maybe they want our autographs." Flame said with a grin. "WHO?" Ed and Ray* said. Another man came in the cart, he saw Alphonse and just stared at him in shock. Alphonse pounded him to the ground. "Maybe he's a fan." Al said. "Very funny." Ed said. Aurora and Serenity walked up to their friends. Aurora noticed a piece of paper. "What's this?" she asked. Flame took a look at the paper. "Looks like we have alchemists among us." she said. "We have to be careful." Serenity said. "Yeah." Aurora nodded. "Ok. Flame, Aurora, lets go on top. Al, Ray*, Serenity, you stay below." Ed ordered. Everyone nodded to his plan. Ed, Flame, and Aurora climbed the latter to the top of the train. Serenity, Ray*, and Al went to the next cart.

~*~

On top of the train, "Lets hurry." Flame said. They started walking on the train. A tree branch came and knocked Ed off the train, he was going to fall into the water. Flame took flight and saved Ed. "Thanks, it's a good thing you have wings." Ed said smiling. Flame thought for a bit. "Maybe." she said. She put Ed back on the train. They continued to walk, they saw a couple of men on the roof. "Hey! You kids shouldn't be up here!" a man screamed. They all took weapons out. "Looks like we're going to have to fight our way through." Aurora said. "Yep." Ed and Flame said, Ed turned his auto mail arm into a sword

and Flame turned her tail metal. They charged at two men. Aurora used her alchemy to turn water into ice spears, she threw them at a couple of men. Each guy they attacked fell off the train. "Oops." Ed said with a grin. "I guess we were too hard on them." Flame said as she rubbed her head.

~*~

Inside the train, Serenity, Ray* and Al were fighting more men. "Every time we knock one down, two more men come in their place." Ray* said as she punched someone in the gut. "I got an idea." Serenity said as she used alchemy. Her eyes started to glow, she became as fast as a cheetah, she knocked every single guy down with her nails. "How did you do that?" Al asked surprised. Serenity stopped running. "To tell you the truth, I'm not sure how." she said. Serenity's tail started to glow, another black stripe was added to her tail. "What just happened?" Ray* asked. "I'm not sure. I think every time I have a serious fight, I become stronger and get a stripe on my tail. This happened before, when I was little. When I had enough stripes I turned into this big cat, sorta like a tiger." Serenity said uncertainly. "Oh yeah, you said something like this happened in your dream." Al recalled. "That's right. Maybe that's the power your parents meant." Ray* said. "Maybe your right. We better hurry, the others might be already at the front of the cart." Serenity said. The three of them started to run. They saw Ed, Flame, and Aurora fighting more men, they defeated them all. "Did you guys find out anything?" Al asked his other friends and brother. "Nope, but I think the leader is in the next cart." Ed said pointing to the cart in front of them. Aurora noticed a telephone room. "Look, we can call the military and tell them we got trash for them to pick up." she said. "I'll go call them." Flame said as she picked up the phone and dialed a couple of numbers. She started talking, in a minute she hanged up the phone. "They said that they'll be at the station." In Ray*'s mind Gale started talking to her. "I'm bored, let me come out." he said. "Alright." she said as she started to change into Gale. "Let me come out too! I want some action." Rage said. "Fine." Flame said as she turned into Rage. "Hello Serenity!" he said. "Hey Rage!" Serenity said with a smile. "Come on, lets keep going." Gale said as he opened the door to the next cart. They all went into the room, there was a big buff man with a huge automail arm. He was wearing camouflage "So you're the brats who have been messing with my plan." he said. "Who are you?" Rage asked angrily. "That's none of your business. I know who you guys are though. You guys are FullMetal, Metalwolf (I'm not sure if Gale shares the same title), and Demon Alchemists." he said. "So what?!" Ed yelled. "Your just in my way." the man said putting his hands together preparing to fight. "Al, Serenity, Aurora, stay back, we'll handle this." Gale said. The three of them took a couple of steps back. "Lets see which of our metal arms is better, mine or yours." the man said. He charged at Ed, they both clashed. "I could use some help here." Ed said struggling. Gale kicked the man on th back but dogged, Gale ended up hitting Ed. Ed fell on the floor. "Hey! I'm on your side!" Ed said furiously. "Sorry." Gale said ad he helped Ed up. "He may be big but he's fast." Rage said as he went full speed and kicked the man a couple of times. The man fell on the floor. "Dammit!" he got up and charged at Rage. He picked up Rage and threw him at a wall. Rage broked the wall because of his spikes. "Rage! Are you ok?" Serenity asked worried. He got up. "Yeah, just a scratch." "I'm tired of playing games, lets finish this in one hit." Ed said. Ed ale, And Rage stood next to each other, then they charged at the buff man and hit him with their metal arms. The guy hit the wall and passed out. "Way to go guys!" Al said with a thumbs up. They all smiled and gave themselves a thumbs up too. When they reached the station, the military arrested the hijackers. "Are you ready to talk to Roy?" Rage asked Serenity. "Yeah."

To be continued.....

I hoped you liked this chapter. I sort of copied the episode "The Man with the Mechanical Arm" and from the 1st FMA video game but I changed a lot of things. If you have no idea what I'm saying, forget what I said. ^_^

here would of ate all of your food." Gale said. Ed looked at Gale with an evil face but kept eating. Everyone else started to eat. 15 minutes have passed by and Ed was ordering more food. "Stop ordering food!" Gale said pissed. "I can't, I'm still hungry." Ed complained. "So why don't I shove this knuckle sandwich down your throat?" he said making a fist. "Ok, I'll try anything." Ed said opening his mouth. "That's it." Gale said as he grabbed Ed's neck and started choking him. Everyone else started to shake their heads. "Uh, Serenity? Can you come with me for a sec." Rage asked. Serenity looked at him. "Sure." They both got up. "We'll be back." Rage said as he led Serenity out of the restaurant. Gale stopped choking Ed. "I wonder where they are going?" Ray* thought in Gale's mind. He smiled. "Let's go find out. Come on, let's follow them." "But what about my food?" Ed asked. "Forget about it and let's go." he said. "Fine." "Don't you ever leave Rage alone?" Aurora asked. They both looked at her. "No way." Ed said. "Yeah, it's fun to embarrass him." Gale said. They both got up and left some money on the table. Ed and Gale walked out of the restaraunt. "Boys." Aurora said as she followed the two boys.

Rage took Serenity to a small park. He led her to a side where there was no one. Gale, Ed, and Aurora kept their distance and hid behind a bush. "What is he up to?" Ed said. "Here." Rage said as he took the necklace out of his pocket. Serenity looked at it and smiled. "You didn't have to get me anything." "I wanted to give you something special. I'll put it on you." Rage put the necklace around Serenity's neck. "Awww that is so cute." Aurora said in a low voice. Ed and Gale rolled their eyes. "I don't have anything for you." Serenity said. "It's ok." he said. They both just looked into each other's eyes. With every second they got closer and closer until they met each other's lips. All was still, as if time had stopped for the two of them. Ed and Gale finally came out of hiding. "Oooooooooooooo you guys are playing tonsil hocky!" Ed said with a smirk. Serenity and Rage stopped and started blushing. "Our little boy is growing up." Gale said as he grabbed Rage's head and started giving him noogies. Aurora came out from the bushes. "Sorry." she said. "What are you sorry for? We caught them making out." Ed said. Rage pushed Gale away and was even redder. "I'm going to kick your @\$\$!" Rage said angrily. "Oh yeah?! We'll see about that!" Gale got into his fighting position as so did Rage. Aurora went in between them. "Why don't you leave the fighting until the State test?" "Good idea. Now I have time to train and then I can kick Gale's @\$\$ twice as hard!" Rage said with a grin. Gale just gave a small smile. All of a sudden they heard a familiar voice, it was Ty. She came running. "Hey guys!" "Hey Ty. Haven't seen you in a while." Gale said. "Yeah, these missions are tearing us apaart." she said. She noticed Aurora and Serenity. "I don't believe we've met met before." "No we haven't. I'm Aurora." "And I'm Serenity, it's nice to meet you." "Same here." "Serenity is Rage's girl friend!" Edward blurted out. Rage and Serenity turned red. Ty looked at Rage with a face. "So the tough guy has room for love." she teased. "Shut up!" he said upset. "So, what are you guys up to?" "Ray*, Flame, Gale, and Rage have to take the State test." Ed said. Ty smiled. "Looks like I came at just the right time." "We should be getting back now, it's kinda late." Serenity said. Everyone nodded and started walking. As they walked Ty, Gale, and Edward were teasing Rage the whole way. Rage tried to ignore but he couldn't, he would blow up from time to time. Serenity would have to calm him down and Aurora tried to stop them from teasing Rage or they would never get back. Ty stopped but Gale and Ed wouldn't, they were having too much fun.

I'm finished! The next 2 chapter will have action cuz Rage, Gale, Flame, and Ray* will be fighting. I've been thinking about something to put in my story. I wondered if I should put it or not and I say yes, anything to make my story longer.
