Yuugiou GX Japanese Names

English= Jaden Yuki

Japanese= Yuuki Juudai

Do I Like This Character? Yes, he'll never replace Yuugi-chan but Juudai is still cool.

English= Syrus Truesdale

Japanese= Marafuujii Shou

Do I Like This Character? He's so adorable, just like Yuugi-chan! Actually, he's mine second favorite character.

English= Chumley Huffington

Japanese= Maede Hayato

Do You Like This Character? Hayato is cool himself, believe it or not. He's has one of the strongest duel monsters, Master of Oz. (I had that card but it was stolen. - -;)

English= Alexis Rhodes

Japanese= Tenjouin Asuka

Do I Like This Character? It seems Yuugiou is pretty famous of annoying female characters. In a way she ticks me off, so I'm not a big fan. But I have to admit, she's better than Anzu.

English= Bastian Misawa

Japanese= Misawa Daichii

Do I Like This Character? I love his deck, and I have to admit I like his accent in the American version.

English= Chaz Princeton

Japanese= Manjoume Jun

Do I Like This Character? Of course, he's like a Yami no Bakura in a way, when it comes to his deck. And he's like Kaiba when it comes to his personal life.

English= Zane Truesdale

Japanese= Marafuujii Ryou

Do I Like This Character? It also seems that Yuugiou is most famous with character names being Ryou and being a cute boy. Ryou may have good looks he is a jerk to his younger brother Shou. Sniff... poor Shou.

English= Dr. Vellian Crowler

Japanese= Chronos de Medici

Do I Like This Character? Gosh, how much I love his lipstick. x3 Although, he's kind of freaky, Chronos is cool in my book. I'll be one of your fans Chronos! You have me!!!

English= Mr. Banner and Pharaoh

Japanese= Daitoguchii and Pharaoh

Do I Like This Character? Of course! He goes "nya" after each sentence in the original version. And his cat is so cute, Pharaoh. I believe this character is one of the most adorable-est on Yuugiou GX.

English= Tenjouin Fubuki (?) Haven't appeared in the English episode yet.

Japanese= Tenjouin Fubuki

Do I Like This Character? Too be truthful, I have no idea how this character acts. All I do know is that he's really cute and he's Asuka's brother.

Hoped this help for all those who were curious on their Japanese names!
