**Chapter 1 - forgotten love**

**2**

# 1 - forgotten love

Forgotten love.

Broken down washed away

All my troubles I can't stay.

At the top of the world

I've forgot the word.

You look up above

At a forgotten love.

My tears burn me

This fatal disease is killing me

Goodbye mother goodbye father.

I m running away

To find what killed me

What stole my heart.

I look up to see what had to be

The man that had forsaken me.

Stole my heart killed my soul.

Spread through my life like a virus

Like a black hole

One look could maze

In his dark blue eyes.

I could not fall

I would have to rise.

One controlling man one controlled life

No more sight for there s no more light.

I ve found what had killed me

A life without trust or faith

and a forgotten love.
