1 - Art is a Bang

Deidara VS. Kimbly-Art is a Bang "You know Zolf-kun, your technique is about the same as mine," Deidara piped up as she pet the explosive bird that sat on her knee. "Fool. My work is nothing like yours. I don't need paper for my technique. And I don't need you comparing my unique abilities to your lame ones." Kimbly replied coldly. "!!Bastard!" Deidara yelled jumping from her sitting position and punching at him. Kimbly moved to counter quickly. Deidara yelped in pain as someone grabbed his wrist roughly. Kimbly did too. Both Kimbly and Deidara had their techniques on each other's bodies. Itachi glowered at both of them. "We are all on the same side. There is no need to squabble over something so useless. Agree on something or I will not release you." Itachi growled. Deidara and Kimbly both found it useless to try and stare each other down or try to escape Itachi's grasp. Suddenly Deidara sneered. Kimbly got a questioning look. She looked up at Kimbly. "Art is a bang." she grinned. Kimbly got a surprised look. Then smiled. "Indeed it is." he replied. Itachi released them, then phased away, mumbling about how stupid they were.
