**Tolea's Song:**

I know this will not remain forever

However it's beautiful

Your eyes, hands and your warm smile

They're my treasure

It's hard to forget

I wish there was a solution

Don't spend your time in confusion

I'll turn back now and spread My broken wings still strong enough to cross the ocean with

My broken wings How far should I go drifting in the wind

Higher and higher in the light

My broken wings still strong enough to cross the ocean with

My broken wings How far should I go drifting in the wind

Across the sky, just keep on flying keisoku no dekinai itami to keisoku no dekinai jikan no nagare ga

subete wo uemete shimaou to shoote mo

sore demo watashi ni wa kanjirareru

sora kara ochite kuru no wa ame de wa nakute. . . Did I ever chain you down to my heart

'Cause I was afraid of you?

No, I couldn't hold any longer

Love is not a toy

Let go of me now

The time we spent is perpetual

Our future is not real

I'll leap into the air My broken wings still strong enough to cross the ocean with

My broken wings How far should I go drifting in the wind

Higher and higher in the light

My broken wings still strong enough to cross the ocean with

My broken wings How far should I go drifting in the wind

Across the sky, just keep on flying sora kara ochite kuru no wa ame de wa nakute. . .
