Main Characters:

Naruto

Hinata

Side Characters:

Bob (butler, waiter, house keeper etc.)

Naruto, Sakura, Sasuke, Hinata (and some other random background ninjas.) are in class, Naruto is fiddling around with paper air planes in his desk, Sasuke is trying to perfect his fire dragon jutsu but since he can't perform this in school. He draws it on paper. Sakura is looking at Sasuke, and Hinata is looking at Naruto, well anyway back to the story.... the doors opened and in walked a black and pink ninja...who looked some what like Hinata and Sakura mixed together, it was Chii... the new girl in school nobody had talked to her since she had got there. Her seat was right next to Naruto's.

Hey what's your name? I'm Naruto and I'm going to be Hokage of the hidden leaf village!! Where are you from?

Chii looked at Naruto as if she was confused

I'm Chii... I'm from the hidden leaf village and I'm going to be Hokage!!!!

But I want to be Hokage it's my dream!!! Naruto yelled and then slammed his head down on his desk.

It may be your dream but it is also mine too. Chii peacefully told him.

Okay! That's it do you want to battle!! I'm not going to let anybody tell me I can't be Hokage!

I will battle you although I'm not sure you quite comprehend what I'm trying to say.

Naruto I hope you realize she just called you stupid. Sasuke pointed out.

What?? Okay no person who calls me dumb is going to get away with being Hokage!!! After school....it's on.

After school...

You can't be Hokage! Naruto yelled

Don't you dare say that! I will not give up; I will not go back on my word for it is my nindo my ninja way. Chii said.

Enough talk. Naruto yelled. Let's fight!

Samurai shadow clone jutsu!  
Good move Naruto but, not good enough!  
Summoning Jutsu!

And out came a great big black and pink dragon.

Will continue this battle later! Naruto screamed as he ran off...he bumped into a big oak tree on his way there.
