*A Fanfiction i wrote back in 2016 when i was in a "My Little Pony" Phase.*

*When other methods fail, what will our Villains do to obtain the World Domination they Crave?*

--

*Featuring a Fan Artifact i created Called: The Stone of Talos.*

*In my Fanfictional Universe(s), it is a Multipurpose Stone, but its biggest potential purpose may be, if the right things are done, to grant somebody great power.*

# 1 - A Mysterious Artifact?

*In the town of Ponyville, two Ponies had met up to talk about a Strange, Recent Happening.*

"What's the matter, Rarity, you been a bit down lately." *Asked a Certain Hat Clad Pony.*

"Someone has ravaged my Store!" *Applejack, the Hat clad Pony, widened her eyes.*

"You're kidding." *Applejack went in surprise.*

"Well who could have done such a thing?" *She asked after.*

"Ugh, it's probably Discord Again, that guy doesn't know when to stop these days." *Lately, the ponies have been having a tough time dealing with Discord, his antics had gotten a bit out of control.*

"And now i'm having to rebuild everything and restock everything." *Poor Rarity.*

"Well Darlin', allow me to help you in this bad time." *Rarity smiled and hugged Applejack.*

"Thank you, i appreciate it."

--

"I take it Discord has been causing Trouble again?" *Asked Princess Celestia to her Guest, Twilight.*

"That's what we are trying to find out.. i swear, he's been out of control lately." *As has been suggested.*

"His is acting a little differently today than usual.. but why?" *Celestia wondered.*

"Think perhaps Chrysalis has something to do with it?" *Twilight asked her.*

"Hard to say.. then again, she's been up to her Usual Antics herself.. so.. oh, i don't know.." *Thing were obviously very strange lately.*

--

"I don't know what in Equestria possessed you to do such a thing, Discord." *Said a Certain Changeling Queen to her Mutant Goat Acquaintance.*

"Oh, like you wouldn't have done the same thing, 'Chrissy'." *Chrysalis, as the Queen went by, scoffed.*

"Perhaps I would, but it wouldn't be to look for.. whatever YOU were looking for." *Now Discord Scoffed.*

"Oh sure, all you Changelings ever look for is LOVE, i on the other hand have searching for something that is said to ENSURE world Domination." *This made Chrysalis laugh.*

"Sure, 'Said to', what even is this.. THING anyways?" *Chrysalis asked him.*

"If you must know, it is called the Stone of Talos, local lore has it that: whoever possesses the stone will be granted power beyond all imagination.. which means, had i gotten my hands on that Stone.. i would have been the world's new Ruler." *Chrysalis had to laugh at this.*

"Keep on Dreaming, Goat Boy, we all know I will become the worlds next Ruler, WITH or WITHOUT that stone of yours." *Discord scoffed.*

"Fine.. i guess you don't want to have incredible strength and power if you even DO become the new Ruler." *This made Chrysalis narrow her eyes in Irritation.*

Then, "Not if i find it first."

*Thus, the race was on to find the stone of Talos.*
