Chapter 1 - Harder, Better, Faster, Stronger	2
Chapter 2 - Yesterday	5

1 - Harder, Better, Faster, Stronger

This is a story about what I thought could happen in IGPX. Just to tell you, I am playing this as if there are two seasons per year in the IGPX and Team Satomi made it to the IG-1 for the first season of the year.

Disclaimer: I do not own IGPX or any songs that I may use; I only own the plot of this story and my OCs.

High Life Chapter 1 start

Harder, Better, Faster Stronger

It is now the year 2050 and Team Satomi has won the championship for the past two seasons and we are getting into their third season. Takashi Jin, forward for Team Satomi is the defending two-time IG-1 MVP.

“Today we have a very special exhibition match; we have the defending champs Team Satomi versus Team Black Egg who came just back up from the IG-2 as we now have eight teams instead of six. It is expected that Team Satomi is going to win”, announced the IGPX announcer Benjamin Bright. “Here is the lineup for Team Black Egg: at defender Glass Jones, at midfielder Grant McKain, and at forward Ricardo Montazu. And the lineup for Team Satomi: at defender Liz Ricarro, at midfielder Amy Stapleton, and at forward Takeshi Jin.”

“Takeshi, you ready?” Liz asked.

“I am, how about you Liz?” Takashi asked.

“Always ready, how about you Amy and Luca?” Liz asked.

“We're both ready,” Amy said.

They then see the 3-2-1 countdown.

“And the race begins,” said Benjamin Bright, “and Team Satomi takes the lead. Team Satomi is going running away with this race already, they are leaving Team Black Egg in the dust.” After a little bit Benjamin Bright says “and we have finished lap one and Team Satomi is over a quarter of the course in front of Team Black Egg.”

Inside Takeshi's mech, you can hear him singing the words “do it harder, make it better, build it faster, makes us stronger, hour after our work is never over,” repeatedly and you can see him starting to push his mech even harder.

“Takeshi, what are you doing?” Liz asks, but she receives no reply. ‘Oh great, no answer,’ Liz thinks.

“And Takeshi is starting to go even faster,” said Benjamin Bright. “Uh oh, it is starting to look like Takeshi isn't in complete control.”

And he was right, because right after that Takeshi's mech goes flying into the side wall and shows the error sign for being out of commission.

“And Takeshi has gone out of commission,” said Benjamin Bright.

“Takeshi, are you okay?” Amy asks, but she receives no response.

“Takeshi, what the hell were you thinking?” Liz asks, but she too receives no response. ‘shoot,’ she thought.

Inside Takeshi's mech, you see Takeshi just lying there, he went unconscious just a little bit before he crashed into the wall.

Harder, Better, Faster, Stronger

I hope you like it and please review, I have more of this story planned out, but will not actually write any of it until I get some reviews and no flames accepted, they will just go to the gasoline for the mechs. The song that Takeshi is singing is Harder, Better, Faster, Stronger by Daft Punk. I hope you liked it! Peace out, Gins!

2 - Yesterday

I would like to thank everyone that gave me a review for chapter 1, which means I would like to thank Bruh Studios and warrior of worlds and just them. It s nice to be on a person favorites list and story alert list as well as having 100 hits on the dot.

Disclaimer: I do not own IGFX or any songs that I may use; I only own the plot of this story, kinda, and my OCs.

High Life Chapter 2 start

Yesterday

Takeshi woke up lying on a bed in the Hospital. He quickly realized that the radio was turned on and was playing a song. He listens to a couple of the lyrics.

Yesterday, all my troubles seemed so far away, now I need a place to hideaway, oh yesterday came suddenly, why she had to go, I don t know she wouldn t say, I said something wrong now I long for yesterday-ay-ay-ay.

Then he realizes that there is a nurse in the room after she turns of the radio. She says, I see you are awake, there are a couple of people who want to see you. I am going to get them now.

After that the nurse leaves the room and a minute later six people and a cat enter his room. One of the five girls (lucky guy, kinda) says to him, Hey Takashi, what the hell were you doing out there. Then another girl says, Liz, don t go to hard on him. It s been rough on him. Then Takashi says, Who are you people and why are you calling me Takashi, is that my name.

Yesterday

I hope you like it and please review, I have more of this story planned out, but I will not actually write any of it until I get some reviews and no flames accepted, they will just go to the gasoline for the mechs. The song that was playing on the radio was Yesterday by the Beatles. I hope you liked it! Peace out, Gins!
