1 - Smile

if your ever having,
an awkward day,
where nothing is right,
nothing is your way.

just count to ten,
and look up to the sky,
down slip a tear,
dont even cry.

clear your mind
and take deep breaths,
and think of the one,
that you love best.

~~remember people, suicide is never the answer. If your ever feeling down or soemthing...always follow my advice. suicide is not kewl..trust me...
