Friggle

And the pie

There is a big poisonous frog whose name is Friggle. Friggle likes pie. Why, Friggle has a slice pie w/ a glass of OJ for breakfast every morning. One day, Friggle was hopping along when he ran into a box. It hurt him very much. But then he saw it was labeled PIE and was addressed to him! He was so happy! Friggle opened the box and found a delicious looking pie! How happy Friggle was. He ate the pie it was delicious. He was very happy and he smiled. But then he exploded and came back as a little fishy named Little Fishy. One day, Little Fishy was swimming through a canyon when he met a kamikaze watermelon. Little Fishy was very happy and he said hello. The watermelon was very, very, very quiet, then it said zeekyboogydook and exploded. Then it spontaneously combusted. Then it died. Little Fishy smiled and said good-bye. Then he exploded.
