1 - o_O this isn't a story!

"What is it like to die?"

I asked on starless night.

"Will my body be in pain?"

"While my soul is filled with fright?"

"No." Said the figure

Who was standing at my door.

"You'll feel at peace You'll feel so calm."

"This and nothing more."

The the figure took my hand

and lifted me from my bed.

The moment that i left my house

I knew that i was dead.

And then i started screaming

the night that i had died.

And I'll always remember clearly

How the hooded figure lied.
