1 - Rainbows and Happiness

I know you'd get it together, but you're missing some pieces, you make yourself a bitter shade, just to hide away...Your mind beats you up, and you can't think like yourself anymore, trying to get it right, but ending up being the failure. Your wrists sting, your tears burn, your face is hot, but you're okay...Just as long as you can pretend your world is nothing but rainbows and happiness.
