Yes, there is a necessity for it now, I have SO MANY Harras, Damons, Sophies, Canis' Celestials, the list goes on, it is NOW TIME to sort them all out ONCE and for ALL.

Provided by Fanart Central.

Chapter 1 - Master's House: ((MH))	2
Chapter 2 - Hard Knocks: ((HK))	5

1 - Master's House: ((MH))

This one I have stopped Rping as much with other people because it's too hard to incorporate others into such a difficult plot. However, for the heck of it, I will include it anyway. This is from the RP Master's House which is someday going to be turned into a book when I can get around to writing it.

Harra:

Hair: Gray, with some washed-away grayish brown locks and strands still in there. Very long and very very tangled.

Eyes: Dark DARK brown, they do not sparkle. EVER.

Skin: So pale it has lost almost all of it's colour, well, it kind of has, Harra's pretty much gray skinned.

Age: Fifteen

Height: 5'3"

Weight: 130, but it's hard to tell because of the corsets she's always wearing.

Personality: Harra is torn, in a word, always caught between what her damaged conscious is telling her to do, and her Master's orders. Because of this she is prone to mood swings and comes off quite confusing. One moment she might be calm and rational, the next completely crazed over one thing or another.

History: I'm going to make this short as I can, Harra was raised by Sophie and Damon Arial in an unhappy house until she was ten in which on their family's vacation, she was snatched from the hotel room and taken to Vadim, learning under him and pretty much serving the man for all eternity. She gets a happy ending towards the end of the novel, but that doesn't matter.

Sophie:

Hair: Beach blonde, sort of curly, down to her mid-shoulders.

Eyes: Bright spanking sky blue, always sparkly, that sort of thing.

Skin: Fair, not pale, but fair.

Age: Forty-nine

Height: 5'8"

Weight: 110

Personality: Think Valley Girl, 'nuff said

History: Sophie, surprisingly, grew up in the same general area Vadim went to, same school, and her best friend dated the man, she is the lethal connection between Vadim and Harra in the first place.

Damon:

Hair: Dark brown, somewhat messy, not the longest, but not necessarily short.

Eyes: Also dark brown

Skin: Tannish

Age: Fifty-one

Height: 5'11

Weight: 155

Personality: Damon is very laid back, easy-going, and never seems to object to anything Sophie does.

History: Not important/I have NO clue.

Jake Marshall

Hair: Black, sort of short and spiky with red tips. Mostly straight.

Eyes: Bright, piercing green.

Skin: Healthy tan

Age: 25

Height: 5'10"

Weight: 160 lbs.

Personality: Jake is a jerk, he peppers his speech with swear words and has no class. However, if someone gets under his skin ((charms him)), he is a real sweetheart to them and only them.

History: Jake was a criminal since his friend died when he was twelve. His first crime was killing someone in a gangfight. Ever since he's done every crime thinkable, most notorious for murder, rape, thievery, and dealing drugs.

* Be warned, I own all of these characters, and pictures will be up whenever I can find any that remotely fit, or if someone draws them for me, because my drawing is HORRIBLE.

2 - Hard Knocks: ((HK))

How I came up with this Harra is BEYOND me, I needed a security character for Kristen's Café and this little nightmare sprung up from it, I love her though.

Harra:

((Before)) ((Security)) ((Formal)) ((VERY Formal))

Hair: Surprisingly slightly long, down to about her shoulders, tied back half of the time. Same dark brown, usually covered by a hat.

Eyes: Dark brown, normally glaring or staring forward. HK!Harra is the queen of staring.

Skin: Normal, fair, really, but she looks healthy.

Age: Fifteen

Height: 5'3"

Weight: 135 lbs.

Personality: Sharp as a tack and as by-the-book as they get. Harra follows every rule precisely. She really is sort of hard to persuade to do anything against what she's been ordered. The girl is very good at obeying any sort of power she was either hired under, or respects. Even if they are someone who she could defeat easily.

History: ((Can you tell I hate writing these?)) Long story short, Harra was brought into a Military High-School ((which I know little about considering I've never been to one...)) called Hard Knocks, pretty much, you would never recognize the before school Harra, and the after school Harra.
