1 - Random Poems

Little socket on the ground
Travel Through thin air
Soaring, never stop
Pop, crackle, pop
Flying for entertainment
Never stopping
Until reaches point you've seen enough
And found better
As failure on only chance starts
Begins to fall
But never reaches ground
For failed attempt
To fly

When you seem to shrink
You Shrink

When you feel pale
You're pale

When you have the urge to kill
You Kill

When you feel warm
You're warm

When you look at this and feel weird
You're probably dead
You probably didn't realize it though

Death

It's a once in a lifetime chance
It never lies or changes its mind
It's what life ends at
It changes everything
It's the last thing to happen to you

It has a mind of its own

How will you prevent it?
