# 1 - PAR-TAY

Karaoke Shaman king styleDisclaimer: I do not own any of the songs used in the making of this story, also I do not own any Shaman King character except for Hikari Shinrei (my Oc)Blah blah blah -lyrics“ -talking~At the Asakura residence~ “Anna... PLEASE” Hikari whined.“I SAID NO!!” the blonde haired tyrant howled harshly.“But it’ll be fun”. “I said NO!!”.“I’LL DOUBLE no.. TRIPLE my training” Hikari bargained“hmm....maybe”. “Really!”. “no”.“PLEASE Anna its just one little party” Yoh said joining the argument.“no!”.“C’mon we’ll be good” Horo joined in as well.“no and that’s final” she shrieked anger dripping from every word.“o just let them have their stupid party, Anna.” Ren said as he turned the TV off after finding nothing was on honestly 300 channels and nothing on what a waste of money he thought.“o fine but your all doing double training afterwards”“YEA!” Hikari, Horo and Yoh shouted at once.“thanks Renny” Hikari hugged her ‘boyfriend’ (not official yet) he blushed and turned away.~preparations for the party were underway phone calls were made and eventually the day of the party came~Everyone made it clear they would be there, none of them wanted to say no to Anna that’s the real reason everyone agreed but no one would say it. “Ok Do we have Soda?” Hikari asked, going over the list“Check” Yoh said with a fake Army salute.“Stereo?”.“Check”. “Rabid Wolverine?”“che-wait WHAT?”“HAHA Just kidding”They finished going over the list everything was accounted for, now all that was left was for the guests to arrive. There was a knock on the door, Yoh and Horo raced to the door “I’ve got it!!” they both yelled in unison, Ren stood up and tripped them both sending them head over heels into the wall beside the door they were seeing stars now.“aww Ren why’s ya have to do that? It was just getting interesting” Hikari whined playfully.“simple, they were taking too long”Hikari sweat dropped. “well are you gonna get the door?”“fine” he opened the door and screamed.“O Ren its been too long how are things going? Are you eating well?” the questions kept coming from the figure who happened to be Ren’s older sister Jun who was hugging his throat unknowingly cutting off his air. “a...air” he managed to say through the constricting hug.“o sorry Ren” she released her brother. He gasped for air.“Hey don’t choke” Hao said as he jumped off the S.O.F’s palm, landing perfectly.O God not him Ren thought of the ;last time Hao paid them a visit; Hao put Wasabi in Ren’s milk, ever since Ren has kept his milk in a locked mini fridge in his room.“You actually invited Him?!” Ren asked angrily.“sure why wouldn’t I? He’s my brother and, we got past that whole ‘I’ll kill you to be the Shaman King’ thing” Yoh who recently woke up, said as he placed his arm on Hao’s shoulder.“Come on in” Hikari said as she showed him through the already open door. They saw others walking up the path “Yo, Hikari What’s up?” Keito said as she nearly strangled Hikari with her infamous ‘Glomp of Death’.“....losing...air...everything...going black” Hikari murmured hoarsely.“Ha How do you like it?” a smug Ren said, Keito let Hikari go letting her have some much needed air. “is that going to happen every time you see Hikari?” Kieran asked as she stepped into the doorway.“no....o HEY REN!” Keito said before she spontaneously Glomped Ren, who had just recently recovered from the last ‘killer glomp’“ach.....Hi....Keito.....please let me go!” he managed to say but his menacing tone was cracked. apparently she hadn’t heard him. "Keito! let him go your going to suffocate him!!" Hikari said to her now clearly sugar high friend."aww alright" she released him from her vice-like gripAbout all the guest were there, Keito want to shut the door when she heard a voice “hey wait”. she looked around no one was thereOh great I’m hearing voices again she shrugged and began to shut the door again.“hey down here!” the voice called again. She looked down it was little Manta Oyamada.“sorry Manta” the ‘giant’ said apologetically.“no prob happens all the time” he walked into the inn. After moments of talking about summer vacation, and seeing Manta spazz out at the sight of Hao,moments later~ There

was a knock on the door, "I got it!" Hikari said as she stood up. She opened the door there stood Faust, Eliza, and Chocolove who was dressed in a 70's disco costume with a microphone in hand. Behind him was what looked like a speaker, he opened his mouth it looked like he was gonna scream but all that came out was a songwoo-hooh (it's a celebration)woo-hooh (it's a celebration)celebrate good times come on (it's a celebration)celebrate good times come on (it's a celebration)there's a party going on right herea celebration that'll last throughout the yearshall bring you good times and good laughter toowe gonna celebrate your party with youcome on nowCelebration - we're gonna celebrate and have a good timecelebration - we're gonna celebrate and have a good timeit's time to come togetherit's up to you what's your pleasureeveryone around the world come onwoo-hooh (it's a celebration)woo-hooh (it's a celebration)celebrate good times come on (it's a celebration)celebrate good times come on (it's a celebration)here's a party going on right herea dedication that'll last throughout the yearshall bring you good times and good laughter toowe gonna celebrate your party with youcome on nowcelebrationwe're gonna.....it's time to come....woo-hooh (it's a celebration)woo-hooh (it's a celebration)celebrate good times come on (it's a celebration)celebrate good times come on (it's a celebration)we're gonna have a good time tonightlet's celebrate it's all rightwe're gonna have a good time tonightlet's celebrate it's all rightUpon finishing he was smacked into the bushes by an angry Anna."What're you trying to do! Anna snapped."ya I thought I told ya, and that's why I offered to triple my training" Hikari said simply. "come on in guys" Yoh said as he showed them in without listening to Anna. oh boy she's gonna be pissed"fine just this once" that surprised everyone"is she sick or something?" Horo whispered to Ren who was standing in the doorway."I don't know?"They all re-entered the inn..."ok I got a disk of song right here folks, who wants to go first?" there was a disturbing silence"I-I'll g-go" a voice in the back of the room said shyly, it was Tamao. "Tammy where did you learn to sing like that it Rocked!!" Hikari complimented.

Tamao blushed before answering "I've always been able to sing I'm just too shy"

"Who want to go next?" she asked as she held up the microphone.

Hikari, Keito and Kieran were whispering on the couch... Kieran motioned for Hao to come over, he became part of the conversation and nodded at whatever they were asking.

Kieran stood up "we'll go" the four of them walked up to the mike.

They searched to song list before finding what they were looking for.

“Hikari, you can’t even tell the difference between a Pepsi can and a Fanta can?” Ren teased as she sat beside him. Hikari pushed his shoulder playfully.

“ok who’s next?”

“I’ll go!” Yoh said as he stood up, and walked over to the karaoke machine.

### 3 - Anna and Yoh

----- Flashback The stars of TOAS  
(the Oc's... and Hao) finished up the 'invasion of the fantanas' Hikari held up the nearest can of soda that just happened to be a Pepsi can, All for laughed as they finished the song. "Hikari, you can't even tell the difference between a Pepsi can and a Fanta can?" Ren teased as she sat beside him. Hikari pushed his shoulder playfully. "ok who's next?" "I'll go!" Yoh said as he stood up, and walked over to the karaoke machine.----- He looked through the long list of songs at least twice. "c'mon Yoh sometime this century" Anna said impatiently. Her answer was only silence, apparently he was concentrating on finding the perfect song. "ok since this is going nowhere I'm going to my room" with that said Anna was already up the stairs. "whew, I thought she'd never leave. Ok now I'm ready" he said as he clicked a song. Everyone looked confused. "I couldn't sing this song with her in the room she'd kill me for sure" he explained clear as day. It was now clear why Anna couldn't be in the room the song info appeared on the screen; 'Pullin Teeth'- GreenDay The background music started. Yoh: I'm all busted up Broken bones and nasty cuts Accidents will happen But this time I can't get up She comes to check on me Making sure I'm on my knees After all she's the one Who put me in this statels she ultra-violent? Is she disturbed? I better tell her that I love her Before she does it all over again Oh god, she's killing me!!! For now I'll lie aroundhell, that's all I can really do She takes good care of me Just keep saying my love is true Is she ultra-violent? Is she disturbed? I better tell her that I love her Before she does it all over again Oh god, she's killing me!!! Looking out my window for Someone that's passing by No one knows I'm locked in here All I do is cry For now I'll lie aroundhell, that's all I can really do She takes good care of me Just keep saying my love is true... Upon finishing Yoh took a bow, the other stared in shock at the sight behind him. His Demoness Fiancée standing right behind him, she heard every lyric of the song. "YOH ASAKURA!!!!" her yell almost shook the house. He turned his head with an almost terrified look on his face. "y-yes A-Anna?" he managed before trying to inch his way away from his fuming Fiancée. "give me the microphone" she said calmly. "huh?" Yoh was dumbfounded to say the least. "hand it over I want a turn" she said more clearly and calmly than before. "uh... ok" he handed her the mike. She went right to picking her song. "IF ANY OF YOU SAY ANYTHING ABOUT THIS I'LL MAKE SURE YOU DON'T LIKE TO YOUR NEXT BIRTHDAY!" she scolded them for no reason. And when back to the song search... "perfect" she clicked play. "this is dedicated to my Yoh" she said before the background music started the screen shown.. 'Fall to pieces' -Avril Lavigne I looked away Then I look back at you You try to say The things that you can't undolf I had my way I'd never get over you Today's the day I pray that we make it through Make it through the fall Make it through it all And I don't wanna fall to pieces I just want to sit and stare at you I don't want to talk about it And I don't want a conversation I just want to cry in front of you I don't want to talk about it Cuz I'm in Love With you You're the only one, I'd be with till the end When I come undone You bring me back again Back under the stars Back into your arms And I don't wanna fall to pieces I just want to sit and stare at you I don't want to talk about it And I don't want a conversation I just want to cry in front of you I don't want to talk about it Cuz I'm in Love With you Wanna know who you are Wanna know where to start I wanna know what this means Wanna know how you feel Wanna know what is reall wanna know everything, everything And I don't wanna fall to pieces I just want to sit and stare at you I don't want to talk about it And I don't want a conversation I just want to cry in front of you I don't want to talk about it And I don't wanna fall to pieces I just want to sit and stare at you I don't want to talk about it And I don't want a conversation I just want to cry in front of you I don't want to talk about it Cuz

I'm in Love With you I'm in love with you Cuz I'm in love with you I'm in love with you I'm in love with you  
The almighty Anna Kyoyama actually blushed as the song finished. "Anna, I didn't know you could sing like that! That was awesome" Yoh said complimenting his Fiancée, Anna blushed even more. "I don't normally sing in front of people that's why" she said sheepishly. "well you should do it more often you have an awesome voice, right guys?" Hikari said to her trying to get everyone to compliment her maybe if we play our cards right we'll get out of the torture training. Hao read her mind. "Yeah you could become the next Avril Lavigne!" he complimented, he elbowed Horo in the ribs. "ow! I mean... Wow that was just wow awesome job" he said, covering up for the pain in his ribs. "thanks you guys..... but your still having training!" she said as she became her old self again. "Ok who's next?" she called out holding the mike up for any takers. "I'll go!" Hikari Piped as she shot off the couch...  
Leaving things right there folks. See ya next time! please Review! flames welcome. Hikari: hehehe its my turn Ren: so what song are you gonna do? Hikari: I cant tell you It'll ruin it for them \*points to readers\* Ren: oh

back “I don’t normally sing in front of people that’s why” she said sheepishly. “well you should do it more often you have an awesome voice, right guys?” Hikari said to her trying to get everyone to compliment her maybe if we play our cards right we’ll get out of the torture training. Hao read her mind. “Yeah you could become the next Avril Lavigne!” he complimented, he elbowed Horo in the ribs. “ow! I mean... Wow that was just wow awesome job” he said, covering up for the pain in his ribs. “thanks you guys..... but your still having training!” she said as she became her old self again. “Ok who’s next?” she called out holding the mike up for any takers. “I’ll go!” Hikari Piped as she shot off the couch...

Hikari scanned the Music list in search of the perfect song, 3 minutes later “I found it” she said as she finally found a song she liked. The song info appeared on the screen. ‘Listen to Your Heart’ - D.H.T She took a deep breath and sighed as the music started up. Her voice sounded serene as she poured her heart and soul into every word. Hikari: I know there’s something in the wake of your smile I get a notion from the look in your eyes, yeah You’ve built a love but that love falls apart Your little piece of heaven turns too dark Listen to your heart when he’s calling for you Listen to your heart, there’s nothing else you can do I don’t know where you’re going and I don’t know why But listen to your heart before you tell him goodbye Sometimes you wonder if this fight is worthwhile The precious moments are all lost in the tide, yeah They’re swept away and nothing is what it seems The feeling of belonging to your dreams Listen to your heart when he’s calling for you Listen to your heart, there’s nothing else you can do I don’t know where you’re going and I don’t know why But listen to your heart before you tell him goodbye And there were voices that want to be heard So much to mention but you can’t find the words His scent of magic the beauty that’s been Well I was wilder than the wind Listen to your heart when he’s calling for you Listen to your heart, there’s nothing else you can do I don’t know where you’re going and I don’t know why But listen to your heart before you tell him goodbye Listen to your heart I don’t know where you’re going and I don’t know why Listen to your heart before you tell him goodbye Everyone stared wide eyed as she finished the song. “so I take it you guys didn’t like it huh?” she said as she put the mike in the holder. “.....no. I don’t think I knew you could sing like That!” Horo blurted out. “actually I did” Ren said with pride at his ‘might me’ girlfriend. “why don’t you sing more often your really good” Jun, who was sitting off in the back complimented. Hikari blushed. “umm... who next!” she said trying to get away from the spotlight. “well if you went I might as well too” Ren said as he walked up. “really?” she asked completely dumbfounded, she’d never heard him sing. By the looks on everyone else’s face neither did they, not even Jun. “yes. Now can you help me with this machine” he asked, it was known by everyone that Ren hated most electronics. “ok sure you push this button to turn the list down and this one to enter. ok?” Hikari said as she instructed the technologically challenged Tao. “ok”. Hikari sat down waiting eagerly to hear him sing. He finally clicked the start button the screen showed the song info. ‘Welcome to my life’ - Simple Plan Ren: Do you ever feel like breaking down? Do you ever feel out of place? Like somehow you just don’t belong And no one understands you Do you ever wanna run away? Do you lock yourself in your room? With the radio on turned up so loud That no one hears you screaming No you don’t know what it’s like When nothing feels all right You don’t know what it’s like To be like me To be hurt To feel lost To be left out in the dark To be kicked when you’re down To feel like you’ve been pushed around To be on the edge of breaking down And no one’s there to save you No you don’t know what it’s like Welcome to my life Do you wanna be somebody else? Are you sick of feeling so left out? Are you

desperate to find something more? Before your life is over Are you stuck inside a world you hate? Are you sick of everyone around? With their big fake smiles and stupid lies While deep inside you're bleeding No you don't know what it's like When nothing feels all right You don't know what it's like To be like me To be hurt To feel lost To be left out in the dark To be kicked when you're down To feel like you've been pushed around To be on the edge of breaking down And no one's there to save you No you don't know what it's like Welcome to my life No one ever lied straight to your face And no one ever stabbed you in the back You might think I'm happy but I'm not gonna be okay Everybody always gave you what you wanted You never had to work it was always there You don't know what it's like, what it's like To be hurt To feel lost To be left out in the dark To be kicked when you're down To feel like you've been pushed around To be on the edge of breaking down And no one's there to save you No you don't know what it's like (what it's like) To be hurt To feel lost To be left out in the dark To be kicked when you're down To feel like you've been pushed around To be on the edge of breaking down And no one's there to save you No you don't know what it's like Welcome to my life Welcome to my life Welcome to my life He finished the song and had a smug look on his face. He placed the mike in its holder and went to sit down. "Whoa that's the first time I've ever heard ya sing Renny" Hikari said as he sat beside her. "ya Ren your voice aint that bad" Horo lied, to be exact Ren's voice was astounding. "OK whose next!" Hikari piped slightly wrecking the moment, but not by much. "I WILL!!" Keito said as she shot up out of her seat.

I'm ending this chapter here, please review.

Keito: MWAHAHAHA MY TURN!! Hikari: \*to Ren\* She really needs to switch to decaf Ren:

backHe finished the song and had a smug look on his face. He placed the mike in its holder and went to sit down. "Whoa that's the first time I've ever heard ya sing Renny" Hikari said as he sat beside her. "ya Ren your voice aint that bad" Horo lied, to be exact Ren's voice was astounding. "OK whose next!" Hikari piped slightly wrecking the moment, but not by much. "I WILL!!" Keito said as she shot up out of her seat.

\_\_\_\_\_ "ok everyone get your ear plugs ready!" Hikari joked, Kieran who was sitting next to her giggled. The loud 'Bang!' could be heard throughout the room, on the floor lay Hikari and Kieran slightly dazed after being whacked in the back of the head by her Itako prayer beads. Without saying anything she walked up to the mike. She clicked the song she wanted. "Ok this is dedicated to Ren, Hikari you won", she pressed the other button the screen shown, 'I hate myself for losing you'- Kelly Clarkson  
Keito:I woke up todayWoke up wide awakeIn an empty bedStaring at an empty roomI have myself to blameFor the state I'm in todayAnd now dyingDoesn't seem so cruelAnd oh, I don't know what to sayAnd I don't know anywayAnymoreI hate myself for losing youI'm seeing it all so clearI hate myself for losing youWhat do you do when you look in the mirrorAnd staring at you is why he's not here?You got what you deservedHope you're happy now'Cause every time I think of her with yoult's killing meInside, andNow I dread each dayKnowing that I can't be savedFrom the lonelinessOf living without youAnd, ohI don't know what to doNot sure that I'll pull throughI wish you knewI hate myself for losing youI'm seeing it all so clearI hate myself for losing youWhat do you do when you look in the mirrorAnd staring at you is why he's not here?I hate myself for losing youAnd oh, I don't know what to doNot sure that I'll pull throughI wish you knewAnd oh, I don't know what to sayAnd I don't know anywayAnymoreNo, nol hate myself for losing you(I'm seeing it all so clear)I'm seeing it all so clearI hate myself for losing youWhat do you do when you look in the mirrorAnd staring at you is why he's not here?What do you say when everything's said?Is the reason why he left you in the end?How do you cry when every tear you shedWon't ever bring him back again?I hate myself for loving you  
Everyone's jaws dropped, Keito walked down after putting the mike back in the holder. "Who wants to go next?" she asked cheerfully, which caught some by surprise. "ummm.... I will" all eyes turned to Horo, who was now on his way up to the mike. He searched the song list in search of a good song. "got it!" he exclaimed as he selected a song. The song info appeared on the screen: 'Do this Anymore'- Nickleback  
Horo:Left on an eastbound train, gone first thing this morningWhy's what's best for you, always the worst thing for meWhen am I gonna learn? Why? Cause I'm tired of hatingWhen will it be your turn? Tamao clapped for her boyfriend, everyone just sat there. Who knew that 2 more residents at the inn actually could sing. "ok who wants to go next?" Keito asked no one in general "I'll.." Kieran began, Just then there was a knock on the door. "hold that though, I got it!" Keito shouted hyperly as she ran to the door. She opened it revealing a boy and girl who were in a heated argument. "I TOLD YA THE PART WAS AT 6 NOT 7!!!" the girl shouted "NUH UH YOU TOLD ME 7!" the older male shouted. Keito just watched an anime sweat drop appeared. "umm... Julia, Toby are you guys coming in or not?" she shouted, alarming the two teens. "ya" the both said as they entered the inn. Keito plopped back on the couch. "ok Kieran go ahead" Keito said in a I-know-something-you-don't-want-me-to-know way. I know she likes My brother, Toby. I also know he feels the same way.... O well I'll just watch how thing work out. Keito thought. Kieran hesitated, before standing up and walking over to the machine.

## 6 - open heart surgery

Hikari and Ren: Hikari-no-Shinjitsu doesn't own Shaman king but she owns the character Hikari Shinrei, Becca owns Kieran, and Keito owns, well ...Keito. Author note: sorry for not updating for so long, had WAY too much homework. And they said 8th grade was easy.. yeah right! \_\_\_\_\_

Flashback Keito plopped back on the couch. "ok Kieran go ahead" Keito said in a I-know-something-you-don't-want-me-to-know way. I know she likes My brother, Toby. I also know he feels the same way.... O well I'll just watch how thing work out. Keito thought. Kieran hesitated, before standing up and walking over to the machine. \_\_\_\_\_ Kieran hesitantly looked back, "Um...Toby wanna help me with this one?" she asked nervously. "Sure" he jumped up and walked over to her. "is this one ok?" She asked curiously, he nodded. The song info appeared on the screen: 'Nothing Better' -the Postal Service(Toby) Will someone please call a surgeon Who can crack my ribs and repair this broken heart That you're deserting for better company? I can't accept that it's over... I will block the door like a goalie tending the net In the third quarter of a tied-game rivalry So just say how to make it right And i swear I'll do my best to comply Tell me am i right to think that there could be nothing better Than making you my bride and slowly growing old together (Kieran) I feel I must interject here you're getting carried away feeling sorry for yourself With these revisions and gaps in history So let me help you remember. I've made charts and graphs that should finally make it clear. I've prepared a lecture on why i have to leave So please back away and let me go (Toby) I can't my darling I love you so... (Both) Oh, oh (Toby) Tell me am I right to think that there could be nothing better Than making you my bride and slowly growing old together (Kieran) Don't you feed me lines about some idealistic future Your heart won't heal right if you keep tearing out the sutures (Toby) I admit that I have made mistakes and I swear I'll never wrong you again (Kieran) You've got a lure I can't deny, But you've had your chance so say goodbye Say goodbye... The song ended and both looked at each other, neither realized how close they were their lips touched accidentally. Neither of them pulled away from a few moments "Ahem" Keito cleared her throat. The two broke away from the accidental kiss and blushed. Both walked back to the couch, Toby in front of Kieran. Kieran never noticed that Keito put her foot in front of her until it was too late... Kieran tripped and landed right on Toby, who turned around at just the 'right' moment. Everyone just looked at the two, yet again they kissed 'accidentally' but who knows if it really was an 'accident'. they parted from their kiss and stood up, both blushing like mad. "o-ok w-who wants to go next?" Kieran asked sheepishly as she sat down beside Toby. "I will" Faust stood up from his seat in the back of the room. "sure knock yourself out" Hikari encouraged him. He scanned through the song list until he found the perfect one. He clicked the song without saying a word the song info appeared on the screen 'Like a Surgeon'-Weird Al Yankovic Faust VIII: I finally made it through med school Somehow I made it through I'm just an intern I still make a mistake or twol was last in my class Barely passed at the institute Now I'm trying to avoid, yah I'm trying to avoid A malpractice suit Hey, like a surgeon Cuttin' for the very first time Like a surgeon Organ transplants are my line Better give me all your gauze nurse This patient's fading fast Complications have set in Don't know how long he'll last Let me see, that I.V. finished the song and everyone, even Anna and Ren had a somewhat freaked out look on their faces. “ummm... ya...um Great job Faust-san” Tamao said shyly. No one else said anything. “Ummm... who wants to go next?” Hikari asked, after snapping out of her daze. “I Will!” Hao shot up from his seat and grabbed the mike before anyone could protest.

"woohoo! Go Manta!" Yoh and the others encouraged him. "chill out guys I'm only singing a song, its not like I'm defusing a bomb over here" he tried to calm them down. "Hey Manta" Hao called him over. He whispered something to Manta and handed him \$20, "fine you know how to make a deal Hao. Manta walked up to the machine and selected his song, as the screen showed the song info everyone laughed...Oompa Loompa - Willy Wonka and the Chocolate Factory (1971) soundtrackOompa Loompa Doompadeedol have a puzzle perfect for youOompa Loompa doompadeedeelf you are wiseYou will listen to meWhat do you get when you guzzle down sweets?Eating as much as an elephant eatsWhat are you at getting terribly fat?What do you think will come of that?I don't like the look of itOompa Loompa Doompadeedaalf you're not greedy, you will go farYou will live in happiness, tooLike the Oompa Loompa DoompadeedoOompa Loompa Doompadeedol have a puzzle perfect for youOompa Loompa Doompadeedeelf you are wiseYou will listen to meGum chewing is fine when done once in a whileIt stops you from smoking and brightens your smileBut it's repulsive, revolting, and wrongChewing and chewing all day longThe way that a cow doesOompa Loompa DoompadeedoGiven good manners, you will go farYou will live in happiness tooLike the Oompa Loompa DoompadeedoOompa Loompa Doompadeedol have a puzzle perfect for youOompa Loompa Doompadeedeelf you are wiseYou will listen to meWho do you blame when your kid is a brat?Pampered and spoiled like a Siamese catBlaming the kids is a lie and a shameYou know exactly who's to blameThe mother and the fatherOompa Loompa Doompadeedolf you're not spoiled, then you will go farYou will live in happiness tooLike the Oompa Loompa DoompadeedoOompa Loompa Doompadeedol got another puzzle for youOompa, Loompa, doompadeedeelf you are wiseYou will listen to meWhat do you get from a glut of TV?A pain in the neck and an IQ of threeWhy don't you try simply reading a book?Or can you just not bear to look?You'll get noyou'll get no commercialsOompa Loompa Doompadeedaalf you are not greedy, you will go farYou will live in happiness tooLike the OompaOompa Loompa Doompadeedo"Hahahahaha all hail Manta the Oompa Loompa!" Horo shouted, before anyone could register what he said he was up at the machine already. "Perfect!" he said Blue (Da ba de) -Eiffel 65Yo listen up here's a storyAbout a little guy that lives in a blue worldAnd all day and all night and everything he seesIs just blue like him inside and outsideBlue his house with a blue little windowAnd a blue corvetteAnd everything is blue for him and his selfAnd everybody aroundCos he ain't got nobody to listen toI'm blue if I was green I would dieif I was green I would dieif I was green I would dieif I was green I would dieif I was green I would die.... (x2)I have a blue house with a blue window.Blue is the colour of all that I wear.Blue are the streets and all the trees are too.I have a girlfriend and she is so blue.Blue are the

people here that walk around, Blue like my corvette, it's standing outside. Blue are the words I say and what I think. Blue are the feelings that live inside me. I'm blue if I was green I would die I was green I would die I was green I would die I was green I would die... (x2) I have a blue house with a blue window. Blue is the colour of all that I wear. Blue are the streets and all the trees are too. I have a girlfriend and she is so blue. Blue are the people here that walk around, Blue like my corvette, it's standing outside. Blue are the words I say and what I think. Blue are the feelings that live inside me. "Ainu-Baka those aren't the words!" Ren interrupted the song. "dude yea they are". "no the words aren't 'if I was green I would die' they're 'da ba dee da ba die'" Ren explained snobbishly. "No they aren't!" "Yes they are!!", this mild conversation elevated to a full blown argument. The two boys continued shouting, anger marks appeared on Hikari, Kieran, and Keito's faces. "HOROKEU USUI, REN TAO! SHUT UP!!!" they shouted in unison, not a soul dared to speak after the explosion of the three teenagers. "good boys" Keito said as she patted both their heads, Ren growled but Keito's fiery gaze shut him up. "o..k, who's next" Horo finally spoke. " I will!" Kieran stood up and rushed over to the machine. She clicked one the song she wanted, "This song is dedicated to....Lyserg's hair!!!" she said randomly. It was well known Kieran hated Lyserg. this should be interesting Hao thought deviously. And with that said a few laughs were heard as the screen showed the info, 'A Certain Shade of Green'- Incubus A certain shade of green, tell me, is that what you need? All signs around say move ahead. Could someone please explain to me your ever present lack of speed? Are your muscles bound by ropes? Or do crutches cloud your day? My sources say the road is clear, and street signs point the way. Are you gonna stand around till 2012 A.D.? What are you waiting for, A certain shade of green? I think I grew a gray watching you procrastinate. What are you waiting for, A certain shade of green? Would a written invitation signed, "Choose now or lose it all," sedate your hesitation? Or inflame and make you stall? You've been raised in limitation, but that glove never fit quite right. The time has past for hand-me-downs, choose a new, please evolve, take flight. Are you gonna stand around till 2012 A.D.? What are you waiting for, A certain shade of green? I think I grew a gray watching you procrastinate. What are you waiting for, A certain shade of green? Green. What are you waiting for? A written invitation? A public declaration? A perfect consolation? Remember when you procrastinate you choose last. Kieran continued the song and along with everybody else, had no idea that an uninvited guest was watching. I think I grew a gray watching you procrastinate. Are you gonna stand around till 2012 A.D.? What are you waiting for, A certain shade of green? I think I grew a gray watching you procrastinate. What are you waiting for? What are you waiting for? "that's it!!" the person shouted, he jumped through the open window, His plaid jacket got caught on the frame of the window, making him fall backwards. Everyone stared at the figure, who just happened to be Lyserg Diethyl. "Lyserg what are you doing here?" Yoh asked absent mindedly. "what am I here?! what is HAO Here?!" he growled. "Dude relax Hao isn't evil anymore" Horo tried to calm his green haired friend. "That's impossible" the green-haired menace said, his words were dripping with venom. "Hao-dono would you like us to take care of this disturbance?" Julia asked. The three followers of Hao looked almost demonic as they stood behind their master, Lyserg's skin paled. "n-no th-thanks I-I'll see m-myself out" the frightened Lyserg said as he ran out the door practically screaming. "was it something I said?" Hao asked 'innocently'. Hikari stood up to shut the door, "o....k that was.....interesting" she said slightly dazed. "Who's next??" Kieran asked hyperly after gulping another can of soda. "Kieran... how many of those things have you had?" Keito and Julia inquired. "...not much....12" the two did an anime fall. Hikari: No hints this time, next one has no hints on who's doing what Keito: hey what's this? \*holds up a can of 'Jolt' soda. Hikari: NOOOOOO!!!!!! \*Keito drinks the soda and is off like a rocket\* Keito: WOOOHOOO!!!!!! \*runs around in circles\* Hikari: o geez, o and don't forget to check out 'Sugar high: An En Inn Story' coming soon to a computer screen near you
