1 - Bunkbed

BUNKBED

If you sleep on a bunkbed,

And you sleep on the bottom,

You sit there in the dark,

And you may see how some blankets drop down,

Those are tree branches and vines,

You see the bars above you,

Those are ripples in the river,

You are underwater,

You see the bedposts,

Those are trees rising out of the river,

You may also see the hand from somebody above hanging down,

That is a wild animal penetrating the river,

So as you sit there in the dark, underwater,

You may not be surprised to hear a ROAR!!!
