Hacker's Central
Chapter 1
"How much farther"?

(There is a big room apparently in a military base, the general is about to brief the troops)

General: TROOPS!!! I am here to brief you on a very important mission.

?????: Yea we were told that when we were sent here.

General: SHUTUP JOHNSEN!!!

Johnsen: Yes sir.....heh

General: You all know about the "Controller" haven't you?

All Troops: Sir Yes Sir

General: Well is that so, then answer this Colt who is the Controller?

Colt: Sir the Controller is the master hacker, the most powerful man alive.

General: That is right Colt that is why we protect him, that is why he has recently asked for some protection we have no idea why. Your mission is simple find his assistant and get him to show you "Hacker Central".

?????: Heh the hard part is finding his assistant they say he is only found when he wants to be.

General: Commander, how long have you been listening?

Commander Zion: Too long, you know you will never find Hacker Central it is impossible you have to be a hacker, a fairly good hacker I might add to get into that place, and if you ask me, joining them was a mistake.

General: Yea well no asked for your opinion.

(Zion walks forward draws back for a punch)

?????: I don't think so

(A figure appears out of nowhere with his hand facing Zion with a wire coming out of his sleeve it grabs Zion's hand before it hits the General)

????: General, I heard you were looking for me.

General: What makes you say that?

Gerald: Well first things first, my name is Gerald.

General: Gerald.

Gerald: Yes, now I know you were looking for me because I am the Collector's assistant hmmm you know the one who is never found unless he wants to be hmmm ring any bells

Johnsen: God, hackers talk too much.

(Gerald walks closer to Johnsen)

Gerald:ha...hahahaha

(Gerald starts to laugh hysterically)

Gerald: Ha ha ha....(cough) General there is been a change of plans only bring two troops.

General: Fine, I will take Colt and Billy

Colt: Sir, Billy is dead sir

General: Gggrrrrr damnit, fine Johnsen come on.

(The small group walks tiredly into the desert)

Johnsen: Why couldn't we take the ATV.

Gerald: (Sigh) General is there any way to make....him...wait

General: What?

Johnsen: Who cares who much farther is it?

Gerald: We are here.
