**Chapter 1 - \*~Shattered Glass\*~**

**2**

# 1 - \*~Shattered Glass\*~

~\*~\*~Shattered Glass\*~\*~\*~

The sound of the wind slamming the door

The sound of glass hitting the floor

The pieces all around, all of them too mixed

It's shattered into a million pieces now

Too broken to be fixed

Each piece so small

Almost impossible to see

But you watched it fall

It shattered just like me

A million tiny pieces

All across the floor

I never wanted anything

But you still wanted more

No one heard the crash

No one tried to listen

So now's all you can see

Are the shattered pieces glisten

But it doesn't even matter

You don't listen anymore

I saw the glass shatter

Like my heart on the floor

~\*~\*~

Poem I wrote about a year ago, and I feel like bashing my head in for deciding to post it. But whatever, here it is, flame me if you want, I don't care. Wrote this after having a **spectacular** day, with many fights and bad words.\_
