1 - Not Mr. Snuggles

A gentle breeze blows throughout the fire village, a warm feeling in body's of others, a beautiful baby was born. The mother, Kyla, named her newborn Amaya. After a day or two there was a cold bone shivering wind that stopped people in their tracks for a few minutes another baby was born. This baby was carelessly named and was quickly sent to a foster home by her very own birth mother. The unloved baby was named RinChi, Amaya and RinChi did not meet until they were a little bit older...

=====

"Hey, gimme that back!" Amaya cried. "Why should I? All you do with it is carry it around." said a bully. "I have tea party's with Mr. Snuggles!" cried Amaya again. "Awww, little baby has tea party's with a bunny rabbit. How cute." said the bully in a nasty tone. "Let's rip it in half and throw the head into the water." the bully's friend said. "no anything but taking Mr. Snuggles!" Maya screamed. "Anything huh?" he asked. "Yeah, anything." She exclaimed. "Ok then, how about... we blow him up!" "AHHHHHHH!" Her scream was heard over a mile away. The boy pulled out a cherry bomb and lit the wick.

The explosive was knocked out of the boy's hand by a rock and rolled into the water, it went out. "What the hell was that?" the boy looked around trying to find the person who did that. There was little girl standing about 6 feet away looking straight at him as if trying to say "I did it, stupid." He finally looked at her and asked "What's a matter with you small fry?" "Why don't you pick on someone your own size jackass?" The mysterious girl smirked. "Where did you learn that word Missy?" He wondered out loud. "Oh, I know a lot more words that yo mama don't even know." She smirked again. "Well, why did you knock the cherry bomb out of my hand?" "You might of got hurt or something" she said in a sarcastic voice. "Why you little." he ran at her as fast as he could. The girl stepped aside about a foot and he fell face first onto the ground. "You should try using common sense sometimes." she said still looking forward then to him.

"I have no more time to waste with your stupid games" he said coolly (not really, cuz he is not cool). "Don't you mean you don't want to be a person who uses sense to get around things in your life, because that is what walking away from a challenge is." she said running up to him and snatching the stuffed animal out of his and giving it to Amaya. "pfffft." he snickered and walked away. "What a jerk." said the both of the girls. They both went completely different ways even though Amaya wanted to learn more about that girl.

I know it is short but if it makes me want to read more it's gotta make you want too.

There is more to come.^-^

2 - Hind-n-go seek

A few days after the taking away of Mr. Snuggles, Amaya learned that the girl that was the same age as her was named RinChi. Maya decided that she will find her bunny's saver and try to become friends with her. Maya finally found where she lived, she was amazed that she lived in a foster home. She knocked on the door and sure enough RinChi answered the door and said. "Oh, it's the girl from the beach." she smiled and let the girl in for some lunch.

"So what is your name? I didn't catch it at the incident." "Amaya, or you can call me Maya. Oh and, thanks for helping." "no prob, those guys needed some dance lessons anyway." Amaya giggled a bit and Rinny just smiled a tiny bit (Rinny is RinChi's nickname). "Do you have any friends?" "No." said RinChi. "Oh, can I be your friend?" "Yeah, that'll be nice." "Wanna go play?" "Play what?" "don no, how bout...mmm, hide-n-go seek?" "I'm not much of a playing person, how about we go play it at the park?" "Ok but I'm counting." "Cool." Rinny takes off and Maya starts to follow.

"umm, where can I hide?" she thought. "47...48...49...50, ready or not here I come!" Amaya yelled. She looks around the play area, sand area, and in little caves she found. "There is still no sign of her, it's like she disappeared." Maya looked around again... "I didn't check the trees." And sure enough Rinny was dangling in the tree. "That's where you were?" "Yeah, took ya long enough." -crack- The branch broke and RinChi was falling at high speed because it was a TALL tree. "ow!" she yelled when she hit the ground. "Are you ok?" "Yeah. I'm fine, besides the hurting leg and back. I feel ok." Rinny said sarcastically.

Amaya's Diary- "That RinChi girl, she had a sign of loneliness in her eyes. I felt at that, that I could change that look in her eye and make it a sign of happiness not cruel memories that she might of had..."
End of Her Diary-

"We will put her In Asuma's group(or what ever that dude's name is with ino and shikamaru)."Ok,then you two go to thease spots." "Well this is RinChi,she is vary skilled in all maters of being a ninja.Please make her feel happy being here."And then he poofed away. "Well since you did not even look at me once and did not even shake my hand I'm going to not like you for a while,and the is bad because You should be bowing down to me.Do you know why because I'm better than all of you!"

"Here I come." He ran toward her and tried to swipe at her with a punch but she just found an open spot and quickly jabbed him with a punch. He gave a yelp and fell onto his back. "Well, was that the best you could do?" She said finally smirking. "Nope, just getting started." He jolted up into the air and made several clones. "Take this!" He yelled.
