## The worst time of my life

Based on a true story

It all started when I was at a friend's house.

I was of course, watching the Naruto new years marathon. It was the last episode, and just like Sakura, I too was deeply in love with Sasuke.

When I had found out that Sasuke had died, I immediately started to cry. All though of course Sakura didn't find out until the new episode. But, to this very day, I still cry my self to sleep and dream about him every night. And that, was, indeed, the worst time of my life. (Well, so far.)

Now, even though I know that they revived him, I still cry myself to sleep and dream about him.

And yes, this really was, based, on a true story.
