# 1 - The one

Fashi: grandfather i want to know why it is been snowing ever since i know of?

grandfather: well you are old enough for this so i will tell you

STORY BEGINS:

There was once a boy found in a box without a family luckily people saw the baby and gave it food but no one would take it home and give it a home but everyone would feed it. It grew up that way until he was 1 and till he could walk. Once he started to walk he found his way to Wagi Castle, and for over 25 years he has not set foot out, and some say the reason why it snows is because he was cursed with some magical power where when hes depressed he make it more depressing on others.

grandfather: its getting late if you are up for more maybe tommrow i will tell you some more.

Fashi: that would be great grandfather!!!
