## 1 - Hiccup's new friend

It was a cold winter morning in Berk. Hiccup was doing his job helping Gobber in the shop while Toothless was curled up by the fire sleeping. And the other Vikings as well. Nobody really wanted to go outside when it was all stormy like that. Then Toothless woke up Hiccup looked at his dragon then he looked outside Astrid, Fishlegs, Ruff, Tuff, and Snotlout were having a snowball fight "can I please go have fun I've been helping you all morning." said Hiccup. Gobber looked up and wiped the sweat off his face then he said "go on and have fun you deserve a break." he said then Hiccup smiled and got his jacket on "come on bud let's show these guys how snowball fighting is really done!" he said he opened the door and went outside. Then he picked up some snow rolled it in a ball and threw it and it hit Astrid in the back. "you'll pay for that!" she said and she threw one at him and it hit him. "ow!, what was that for!" said Hiccup Astrid just laughed. Then there was a big shadow and they all looked up even Toothless. "I told you we should've went the other way!" said a boy on a sapphire dragon "well sorry!" said the dragon. "where are we anyway?" said the boy then Astrid came up "who are you?" she said "I'm Eragon dragon rider and shadeslayer." said Eragon "well I'm Astrid this is Hiccup, Fishlegs, Ruff, Tuff, and Snotlout." she said "this is my dragon Saphira." said Eragon. Then it was Hiccup's turn "this is Toothless." said Hiccup then four dragons landed "this is my dragon Stormfire." said Astrid. "my dragon Meatlug." said Fishlegs "my dragon Barf and Belch." "no it's mine!" "no mine!" "guys same dragon." said Hiccup "and my dragon Toothfang." said Snotlout "welcome to Berk!" said Hiccup "let's go inside I bet your hungry." said Hiccup. They all went inside "you just found a friend Hiccup." said Astrid "yeah I did didn't I" said Hiccup smiling.

## 2 - First day of dragon training

It was another day on Berk and they were in there Dragon academy and they were all in there and Eragon and Saphira were with them they were learning to then there was a big noise Toothless sat up straight and ran out "Toothless!" yelled Hiccup and he ran out with the others running behind him then they stopped and he was looking "Toothless!" cried Hiccup then his dad flew down on his dragon Thornado "dad have you seen Toothless he just ran out." then they heard a roar "Toothless!" said Hiccup then they got on their dragons and they flew in that direction then they saw him "what is that?" said Eragon
