## 1 - Soar To My Heart

"Nepoli, we have been traveling for hours with no food or water. Can we please rest?" Amore asked stopping to sit down. Nepoli looked at her. "Yes. But we must not stop for long, unless we have cover because the humans are up at night now. Looking for us." He said sitting closely to her. "I don't understand. Why can't we fly?" She asked with a puzzled look. "Amore, if we fly in broad daylight, we'll get spotted. In a few minutes, it will be night, and we can fly." He said getting back up. Amore looked behind herself. "Berries.." she said. Nepoli rolled his eyes. "We will eat later!" he howled. "No Nepoli! Berries! Fresh berries!" She said munching down. "Come and eat with me!" She said looking happily at him. He was also smiling. "There is a brook about half a mile away, we can fly there and get a drink after the sun finishes setting." Amore nodded and looked towards a rock. "A shelter, and food." Amore looked at Nepoli. "We can live here!" she said licking his soft black nose.
