Title: Concrete Angel Lyrics

She walks to school with the lunch she packed  
Nobody knows what she's holding back  
Wearing the same dress she wore yesterday  
She hides the bruises with the linen and lace

Ohhh

The teacher wonders but she doesn't ask  
It's hard to see the pain behind the mask  
Bearing the burden of a secret storm  
Sometimes she wishes she was never born

Through the wind and the rain  
She stands hard as a stone  
In a world that she can't rise above  
But her dreams give her wings  
And she flies to a place  
Where she's loved

Concrete Angel

Somebody cries in the middle of the night  
The neighbors hear but they turn out the light  
A fragile soul caught in the hands of fate  
When morning comes it will be too late

Through the wind and the rain  
She stands hard as a stone  
In a world that she can't rise above  
But her dreams give her wings  
And she flies to a place  
Where she's loved

Concrete Angel

A statue stands in a shaded place  
An angel girl with an upturned face  
Her name is written on a polished rock  
A broken heart that the world forgot

Through the wind and the rain  
She stands hard as a stone  
In a world that she can't rise above  
But her dreams give her wings  
And she flies to a place  
Where she's loved  
Concrete Angel

## 2 - Broken Wing lyrics by Martina McBride

Written by Martina McBride

[Quik Note: I found this one while I was looking around on this site:

<http://www.lyrics007.com/Martina%20McBride%20Lyrics/Broken%20Wing%20Lyrics.html>]

Title: Broken Wing lyrics

She loved him like he was the last man on earth. Gave  
him everything she ever had. He'd break her spirit down,  
then come lovin' up on her. Give a little. Then, take it  
back.

She'd tell him about her dreams - He'd just shoot 'em down.  
Lord, he loved to make her cry. "You're crazy for believin'  
you'll ever leave the ground," He said, "Only angels know  
how to fly."

And with a broken wing, she still sings. She' keeps an eye  
on the sky. With a broken wing, she carries her dreams.

Man, you ought to see her fly.

One Sunday mornin', she didn't go to church. He wondered  
Why, she didn't leave. He went up to her bedroom, found a  
note by the window, with the curtains blowin' in the breeze,

And with a broken wing, she still sings. She' keeps an eye  
on the sky. With a broken wing, she carries her dreams.

Man, you ought to see her fly.

With a broken wing, she carries her dreams. Man, you ought  
to see Her fly. (with a broken wing ooooooh)

## 7 - Otherworld by Takuya Sugimoto

Written by Takuya Sugimoto

[Quik Note: Just English lyrics.]

Site Song: <http://www.animelyrics.com/game/finalfantasyx/otherworld.htm>

Title: Otherworld

Description: This is the opening of the Game.

Game: Final Fantasy X

Composer: Takahito Eguchi

Vocals: Mayuko Aoki

Go now, if you want it  
An otherworld awaits you  
Don't you give up on it  
You bite the hand that feeds you

All alone, cold fields you wander  
Memories of it, cloud your sight  
Fills your dreams, disturbs your slumber  
Lost your way, a fallen knight

Hold now, aim is steady  
An otherworld awaits you  
One thousand years, you ready?  
The otherworld, it takes you

Go into the sand, and the dust, and the sky  
Go now, there's no better plan, than to do or to die  
Free me, pray to the faith in the face of the light  
Feed me, fill me with sin, and get ready to fight  
You know you will  
You know you will  
You know it, you know it, you know it, you know it, that you will  
You know it, you know it, you know it, you know it, that you will  
You know you will...

Fight, fight, fight  
Fight, fight, fight  
Fight, fight, fight  
Fight, fight, fight!

Hope dies, and you wander  
The otherworld, it makes you  
Dreams, they rip asunder  
The otherworld, it hates you

Free now, ride up on it  
Up to the heights, it takes you  
Go now, if you want it  
An otherworld awaits you

## 8 - Nobody Knows it But Me lyrics by Kevin Sharp

Written by Kevin Sharp

[Quick Note: Just English lyrics.]

Site Song:

Title: Nobody Knows it But Me lyrics

I pretend that I'm glad you went away  
But these four walls close in more everyday  
And I'm dying inside  
And nobody knows it but me

Like a clown I put on a show  
The pain is real even if nobody knows  
And I'm crying inside  
And nobody knows it but me

Why didn't I say the things I needed to say  
How could I let my angel get away  
Now my world is a-tumblin' down  
I can say it clearly but you're no where around

The nights are so lonely the days are so sad  
And I just keep thinking about the love that we had  
And I'm missing you  
And nobody knows it but me

How blue can I get you could ask my heart  
Just like a jigsaw puzzle it's been torn all apart  
A million words just couldn't say just how I feel  
A million years from now you know I'll be loving you still

The nights are so lonely the days are so sad  
And I just keep thinking about the love that we had  
And I'm missing you  
And nobody knows it but me

The nights are so lonely  
The days are so sad  
I just keep thinking  
About the love that we had

Nobody knows it but me
