# 1 - The Flower of Time

>> Jim was still sitting down on the bed in his bedroom thinking about the letter he found on the streets of Montresser, "Hey, Jimbo! What's going on!?" B.E.N. announced, surprising Jim and making him fall off the bed. "B.E.N!!!!" Jim cried out as he immediately rushed to his feet, "Hi, there you knuckle head of a robot! Am I glad to see you!" Jim said hold back his grin of a smile for joy.

>> B.E.N. was surprised that Jim was jumping for joy just at the delight of seeing him, "Whoa! Whoa! Whoa! Jimbo! If that's your name?!" B.E.N. exclaimed, "Okay, where's Jim? Where did you take him? Because you don't act like Jim," B.E.N. answered in a normal tone only acting in his comical ways.

>> Jim was looking up when he saw something that caught his eye from above, the light was coming in from the windows and outside those windows was were a girl was standing, "H-Hey! Y-You.. G-Girl?! W-What are you doing?!" Jim stammered as he rushed out of the window of were he saw her from. She was falling and Jim grabbed a hold of her hand as he pulled her back in, their eyes met and something between them was illuminated.

>> B.E.N. was right behind Jim all the way up until Jim and that girl met eye to eye, "Well, I guess I'll be going now," B.E.N. muttered as he left them alone. "H-Hi.. there," The girl utter a silent laugh. "H-Hey. W-Who are you?" Jim said still captured in her eyes, "Oh, my. My name is Hanna Nohotaru and you?" She said in a captivating voice and smile, "Uh?! Oh, I'm Jim.. Jim Hawkins." Jim replied. "Oh, your him?" Hanna answered.

>> Jim was a little surprised that she didn't know that he was the boy who found the map to Treasure Planet and took a voyage to that planet either. That is until he mentioned his named ofcourse. "W-What do you mean "Oh, your him?" Jim asked. "O-Oh. N-nothing it's just that.. \*giggle\*" Hanna hesitated. "What?" Jim questioned.

>> Hanna just held back a laugh that gave way to her fears and shyness, "Uh..? Jim..? Have you every.. \*giggle\* heard of the.. \*giggle\* Hanna no Toki?" Hanna questioned, "Uh?" Jim shook his head and saying, "No. What is it?" Hanna replied, "It's the Flower of Time; 'Legend says: that whosoever uses it can travel through the universe of time.' Jim we need to take that artifact and claim it as our own before they do." Jim asked, "Who.. do you mean?" Hanna stared at him and said, "You'll see. We must take it and claim it before them."
