1 - Kagome--Back from her own time

"Inuyasha!" Kagome called to him from the bottom of the ancient well. "I'm up here, god, do I have to come down there and just pull you out now?" he said sumgly at the opening. "No! I'm fine on my own! I just wanted to know you were there!" Kagome shouted up at him, she didn't know why they had to fight about the silliest things. She jumped out of the well and they went on their way to find Sango and Miroku. As they walked through the woods Inuyasha smelled a strange scent. He put his hand in front of Kagome and said, "Hold on, I smell something! Check and see if you see any shards around here." Kagome looked through the trees but didn't see anything. "It looks clear." She said in a shaky voice. Inuyasha sighed and they were on their way. CRACK They both heard the sound of a twig breaking in the timber. "Okay! Who's there! Show yourself!" Inuyasha shouted as he pushed Kagome behind him and pulled out his sword. "Wait a minute! I see a jewel shard straight ahead!" Kagome gasped, "And it's coming right at us! Really fast!" "I mean you no harm." a voice said from within the trees, slowly the priestess Kikyo stepped out of the woods. "Ki-Kikyo" Inuyasha stammered when he saw her. Kagome blushed and stepped out from behind Inuyasha. His ear twitched as Kikyo ran up to him and hugged him so hard it knocked the air out of him. Kagome stared then blushed even more. "Maybe I should go..." She whispered as she slowly backed away. But then she saw something that caught her eye. Kikyo had a red glowing mark on her neck. She gasped in surprise, "Inuyasha! That's not Kikyo! It's an imposter!" She drew her bow and arrow and aimed at the demon. "What!" Inuyasha said as he pushed it off of him. The demon slowly transformed into a dragon demon! Kagome shot her arrow at it but the demon had a shield that shot the arrow back at Kagome. She screamed and jumped out of the way just in time. "Kagome! How dare you try to hurt her!" Inuyasha yelled as he swung his sword at the demon. "Wind-Strike!" He yelled as the strike hit the demon with full force. As it fell to the ground Inuyasha rushed over to Kagome. "A-Are you alright?" He asked her, she nodded slowly and stared hard at his eyes. "I'm sorry about what happened with Kikyo" she muttered under her breath, but not too low for him to hear. His cheeks turned red and he looked away. "I-I was just really taken back when she jumped at me, I'm sorry." Kagome smiled up at him. "You don't have to say sorry for being in love with her." His eyes widened, "Who said I was in love with her! I-I just was taken back! Come on let's go!" He turned and headed into the trees. Kagome thought to herself, 'I guess he's always going to be "taken back" by her' she sighed and stood to follow him. But then a large tail fell and thumped Inuyasha on the head knocking him out. It was the demon dragon! It had come back to life, before Kagome had a chance to even grab her bow she too was knocked out by the tail of the dragon.

2 - Into the cave

"Ouch! My head is killing me..." Kagome looked around the stone cave, where am i? she wonderd aloud. "Your in my cave," an evil Voice said, It was to dark in the cave to see what it was.

"W-Where is Inuyasha?" She studderd. "You mean your lover (KAgome went pink) He's right over there."

Kagome looked to her left and saw Inuyasha in his human form, laying unconscious against the wall. "Oh my god," she rushed over to him. "Are you Okay? Inuyasha? Can you hear me?" Kagome looked at the large lump on his head. "What do you want with us?" She demanded, "Its quit simple. Im having you for dinner!" Kagome sighed, 'God that line gets old after a while' she thought to herself. The demond started to advance toward her, "Inuyasha! This isnt a good time for sleep! I could really us some help about now!" Kagome tripped over a stone and landed on Inuyasha lap. 'So this is how it ends... Wow, That really sucks!' she thought to herself. A tear fell from her check and landed on Inuyasha's face, slowly he opened his eyes and saw the demond coming at Kagome as she cried. "You think you would at least fight back instead of crying over that unconscious half demon! Now be a good girl and get ready for dinner!" The demond shouted at Kagome "Not if i have anything to say about it!" Inuyasha started to run at the demond but he didnt have his sword and he was in human form so he couldnt really do anything to help. "kagome, I'll distract it while you go get help." He muttered to her. "Yeh right, like im really gonna leave you!" Kagome yelled at him. "Just get help! I dont care what happens to me as long as you are alright!" Kagome gasped but shook her head, "okay ,but one thing, the door is blocked with a sheild!" Kagome said. 'Wait, I think i have an idea!' Kagome ran to the door and took out her earring. 'I hope this works!' She pushed the earring into her arm and soon blood was gushing out. "Kagome! What the hell are you doing! Thats not going to help!" Inuyasha yelled as he saw her cut herself. 'Please let this work! Oh please please let this work' kagome thought. Slowly she felt her head get light, 'Wow, i bleed more than i thought i would!' She slumped against the cave wall. "P-Please w--wo-rk" She passed out. "kagome! What the hell! This isnt going to help!" Inuyasha yelled as he saw her slump down. He was still dodgeing the demond and couldnt get her help. Suddenly he realised what she was trying to do! "No! Not him! Kagome you idiot! I'd rather die!"

3 - Koga saves the day!

SNIFE SNIFE 'That smell, it smells like, oh no! That's Kagome's blood!' Koga had been walking through the woods when he picked up the familiar scent. 'Is she alright? I bet that stupid mutt got her in trouble again! (sigh) I knew I shouldn't have let her be in his care!' Koga ran full-speed toward the scent, all the time yelling "Kogome!" he found himself outside of a strange cave, 'Oh yeh, this is the place, it reeks of Kagome and that Mutt' He tried to walk through the entrance but it was blocked with some sort of shield. He could hear Inuyasha yelling something about Kagome being stupid and "that's not gonna help!". Koga stepped back about 20 feet and ran full speed at the barrier. CRASH He had knocked it down! "Kagome! Where's Kagome!" He spotted her unconscious on the floor with a large cut on her arm. He glared at the demon, "How dare you harm Kagome! Now you have me to go through!" He ran at the demon top speed and kicked it in the stomach, then he twisted around and socked it in the face, after about 2 minutes of serious beating the demon went down, and hard! The sun slowly came up and Inuyasha became a half demon again. Inuyasha rushed over to Kagome, "Are you okay?" she slowly opened her eyes then sat up, "yep!" "You don't look like you were even harmed!" Inuyasha said to her, "Well," she looked down, "I wasn't really hurt, I needed Koga to think I was so he would save both of us..." Kagome looked up at Koga, "Thanks for saving us!" He bent down and picked her up, "Why wouldn't I, you are my mate after all" Kagome went bright red at the thought of being his mate. "Would you shut up about her being your mate! She's not your mate you stupid wolf!" Inuyasha yelled at Koga. "You're just mad because you're a no good half demon that can't even get a human to love you!" Koga shot back. "Puh-lease! Kagome tell him that he is not your mate!" Inuyasha said looking at Kagome. "Errr, again, thank-you for saving us Koga, but Inuyasha and I really do need to be going." Kagome said holding onto Koga's hand. "humf, You let me know when you get bored with staying around this mutt, I'll be waiting." Koga said as he ran off into the woods. "You let him go! AGAIN! Why don't you just tell him to get lost!" Inuyasha asked Kagome, "Because he's a nice guy and he has helped us a lot when you think about it..." "I'm begging to think that you really do like that wolf!" Inuyasha said as he turned to walk away. Kagome ran up to him and took his hand, "No I don't, there is only one person here that I like." Inuyasha stared into Kagome's eyes. She stared back into his and there was a long pause, "You really had me worried back there, Kagome. Passing out like that." Inuyasha said, still lost in her eyes. "I'm sorry, I didn't want you to worry, but I had to." Gently Inuyasha wrapped his arms around Kagome's waist, He looked down at her. 'Oh my god, what is he doing!'

Kagome thought 'He looks like he's about to-' Slowly Inuyasha bent down and kissed her, she wrapped her arms around his neck and they kissed for what felt like hours, finally Inuyasha pulled his face up to look into Kagome's eyes, "You don't have to count on Koga to save you, I'll always be here to save you, no matter what..."
