**2**

# 1 - Theres a fine fine line

Kagome had just witnessed InuYasha and Kikyo kissing and shes going back home. When she starts singing:

Theres a fine fine line  
between a lover and a friend  
Theres a fine fine line  
between reality and pretend  
and youll never know till you reach the top  
if it was worth the up hill climb  
Theres a fine fine line  
between love and a waste of time

Theres a fine fine line  
between a fairytale and a lie  
and theres a fine fine line  
between your wounderful and goodbye  
I guess if someone dosent love you back  
it isnt such a crime  
but theres a fine fine line  
between love and a waste of your time

And I dont have the time to waste on you anymore  
I dont think that you even know what your looken for  
for my own sanity I gotta close the door and walk away

Theres a fine fine line  
between together and not  
and theres a fine fine line  
between what you wanted what you got

You gotta go after the thigs you want  
while yor still in your prime  
Theres a fine fine line  
between love and a waste of time

oh and they make up Ill try to write a song fic where they make up.
