Chapter 1 - Goodbye My Day

2

1 - Goodbye My Day

Goodbye Mr. Day

(Goodbye Mr Day)

There s a hole in your pocket
So your change could escape
You say witchcraft is magic
And expect me to write it

And goodbye Mr Day

You promised you would show us
A film on the war
Goodbye Mr Day
You forgot your History
So you couldn t teach us
You ve been given the sack
Now you sit on a bus
Your knowledge is dead now
You re no use to us

So busy telling me not to draw
You forgot to switch your laptop on
Oh-Oh-Oh
So so superior, are you now?
You could spend a little and live a lot

Goodbye Mr Day

You promised you would show us
A film on the war
Goodbye Mr Day
You forgot your History
So you couldn t teach us
You ve been given the sack
Now you sit on a bus
Your knowledge is dead now
You re no use to us

(Goodbye Mr Day)

(Goodbye Mr Day)

Goodbye Mr Day

The school was full of misery
Till you taught my form
Goodbye Mr Day
(Goodbye Mr Day)
Wish you hadn t filled my mind
With all this knowledge
Goodbye Mr Day
You promised you would show us
A film on the war
Goodbye Mr Day
You forgot your History
So you couldn t teach us
You ve been given the sack
Now you sit on a bus
Your knowledge is dead now
You re no use to us
