# 1 - Meghan, Me and Jack

Note from author-

These are real people. You can laugh, because it is dumb.

Meghan- Guess what. I've got Robert's emo name.

Jack- What is it?

Meghan- Brooks. That's what my sister said, anyway.

Jack- That's so stupid. Robert's not emo!

Me- Are you an idiot. Of course he is. Like, the skinny jeans. He looks so dumb.

Jack- He is dumb.

Me- Duh. And an emo!

Jack- Emo's cut them selves. Robert doesn't.

Me- Fine, but he has to be punk or goth. They're all weirdo's anyway.

Meghan- I think Robert's a gay emo or gay goth or gay punk.

Me- Yeah, I think he checks out guys.

Note from author- This is weird. I know. But I like these conversations.

## 2 - Candy

Madeline- I like candy!

Me- And that is new how?

Madeline- So what type of candy do you like!

Me-I dunno, starburst?

Madeline- Cool. I like all types of candy. I even have a shirt that says that!

Me- And you're wearing it...

Madeline- I want another shirt... I want a piece of candy, where's some candy, i love candy!!!

Me thinking- gosh. first you steal my gig of the repetitive hi. now you start doin my gig. you gonna go down,sister.

Me- I like to ski. i wanna fly. i believe i can fly. i wonder who sings that. i wonder if i should try to sing. ring. ding ding. hey, that sounds like the triangle. hey, i play drums. i like the snare drum. hey, i wonder if i'm gonna play tennis tonight. no, maybe racquet ball. i like to do that!

Madeline stares at me dumbfounded.

me thinking- ha, you can't copy me now.

Madeline- I LIKE CANDY!!!

### 3 - Quotes from Jack Sparrow

Where's the thump-thump?

One word love, curiosity.

To act on ones selfish impulse!

I am chief! I want big fire! Big Fire!!!

Pirate....

Hello beastie!

There will be no knowing here.... I thought I knew you!

All to the contrare, love....

I actually do that a lot... yet everyone is always suprised.

Well... pretty much.

No... you want you to find this. Because the finding of this means finding and or locating dear Elizabeth.  
[I think that's what he said. Not sure, though.]

Sorry mate, we're gonna have to make a little side trip.

Gentlemen, what do keys do?

## 4 - A Little Something For Ricky Bobby
