# 1 - What I Would do For You

Love is not like many things  
Perhaps that's why I feel so changed  
You said you did not love me back  
You said there was someone else  
I did not cry  
And only wished  
That you could be happy  
I watched you as you grew old  
And with whom you loved  
Then the came day that you had to go  
While your love had to stay  
I gave up everything for you  
Since I had never loved anyone else  
And as I went up and died that day  
I watched as you were safe with the one you loved  
And when God saw me he lifted me up  
And asked why I had had dies instead of him  
I told him that he had so much  
While my life was not so precious  
And God told me that my life had a lot  
But I never had noticed  
And I simply replied that without him my life was nothing  
Compared to a couple with love  
So I dies instead of him  
I was the angel who was numb as day  
And I waited for 10 years  
And finally my love came to me and kissed me on my lips  
He told me that he loved me  
But I insisted that he go  
For because I gave my life to him  
He thought he had to repay me  
So I told him that to repay me he may live his life in heaven  
With his real beloved  
And now as I sit on these white clouds  
I wish that I had not been so dumb  
To sit and only watch  
When perhaps I could feel the magic for myself  
And had just moved on
