Chapter 1 - I Need an Angel

1 - I Need an Angel

Won't someone come and save me
I'm left here in the snow
Bleeding into the Earth
Who will save me now
I need an angel
I don't want the pain anymore
Just let me go
I need a miracle
I don't want to bleed anymore
I feel no pain anymore
But I still bleed
My tears are gone
Where's my angel I need
I need an angel
I don't want the pain anymore
Just let me go
I need a miracle
I don't want to bleed anymore
I am numb
I want to succumb
Where is death
I lie in a bed of roses
And dream to die
But death is far away
I need an angel
I don't want the pain anymore
Just let me go
I need a miracle
I don't want to bleed anymore
No angel comes
So I'll just lie here for a while
And wait
Till my time comes
Because anything is better than facing it
Just let me have an angel
And let me die
