1 - Come Back and I'll be Good

I guess you had enough
I didn't know I went that far
I didn't want you to go
Why couldn't I see it before
Please come back
And I promise I'll be good
I won't let you down again
I'll be better
Give me one more chance
I was proving my point
Because I thought I was right
But now I see I was wrong
And now you're gone
Please come back
And I promise I'll be good
I won't let you down again
I'll be better
Give me one more chance
Any second I'll hit the bottom
And no one will be there
I pushed everyone away
And no one will ever come to stay
Please come back
And I promise I'll be good
I won't let you down again
I'll be better
Give me one more chance
One last kiss
One last hug
Your hand around my waist
Just one more time
And then you can be gone
I just wish you'd come back
Because then I'd be good
