**Chapter 1 - Drowning**

**2**

# 1 - Drowning

I'm drowning without you  
You were my life vest  
My last hope of survival  
But now you're gone  
And I'm drowning without you  
Falling to the bottom  
My heart feels the pain  
But my body feels nothing  
Where did you go  
Can't you come back  
Please  
I'm begging you  
Be my savior  
And help me  
But now you're gone  
And I'm drowning without you  
Falling to the bottom  
My heart feels the pain  
But my body feels nothing  
Lift me up and take me home  
Rescue me  
Give me one last kiss before you go  
I've taken so many hits in my life  
But this one hurt the most  
I thought what we had  
Was true love  
But now you're gone  
And I'm drowning without you  
Falling to the bottom  
My heart feels the pain  
But my body feels nothing  
Just help me  
I'll take the hit  
And then you can go  
But just know  
That I love you  
love you  
love you
