Chapter 1 - 1

2

Her fur white as ice,
Her claws, like knives.
Teeth white as snow,
But the eyes were crystal blue.

The eyes captured me,
Stealing my soul.
Reading my every thought,
Seeing my every dream.

She spoke to me,
I heard her in my mind.
She told me the long lost past,
And the unforgiving future.

She told me the secrets of the world,
The secrets of the universe.
I saw every galaxy,
As well as every star.

I looked into her eyes and saw no evil,
But heavenly good.
I everything I desired,
I saw the treasure of my life.

For she was my spirit animal,
Not just any animal,
But a icy white wolf,
The wolf with the eyes of the lost past,
And the unforgiving future.
